SHELBY JEAMES DAVIDSON PAPERS
Collection 25-1 to 25-4

Prepared & Revised by:
Greta S. Wilson
January 1981
Container List Revised
by: Karen L. Jefferson
January 1988

Scope Note

This collection, composed of 174 items and contained in two boxes, measuring 1 linear foot, along with two individually wrapped items, spans the period from 1893 to 1918. Basically, these papers consist of sketches, patent references and other such data related to Davidson's inventions during this employment in the United States Government. There are also included items such as clippings, a biographic sketch, obituaries, certificates, correspondences, information regarding his law career and organizational affiliations, plus some prints and photographs.

Biographical Sketch
