Library Technician

Moorland-Spingarn Research Center
Howard University
Washington, D. C.
Dorothy Porter Wesley stands among those giants of historical inquiry who have helped to focus an understanding of the contributions people of African descent have made to world society. She embodied the spirit of our people and inspired all of those who love our people's history. She has left her mark, and it is truly indelible.

Dr. Thomas C. Battle
(December) 1995
