NOTE: The sister of Cpl. Hobert Turner has sent the dues which her brother intended to send before he was killed in action on February 10, 1945. She wishes you to know that her brother had no dishonest intentions in delaying to send the money collected in the United States in September 1944.

NOTE: Unfortunately, Miss Lillie Whitehead who has been serving as assistant in the Physic Department is no longer on the university payroll; consequently there is no one available to do stenographic work in connection with the news letter, however I am making arrangements so that you will receive your news letter as usual.
