Dear Miss Tate:

CPL. James Nelson from Stanton Mich. is a very good friend of mine, he has been expecting a clipping of an article you wrote which was published in some of the leading magazines. I was very interested in education before entering the army and if its possible will you send me a clipping of the article you have written, Please excuse me for taking this long shot, for Mr. Nelson assured me it would be accepted, or he would accept half of the responsibility (smile) I have planned to visit his home in Mich. after the war. Perhaps I will be able to meet you. Letters are very precious to us here in India and a letter from you will add greatly to our morale. write

Respectfully yours,
