Dr. Merze Tate
Howard University
Washington, 1, D.C.

Dear Dr. Tate:

I am happy to inform you that I am now back in the United States. I was discharged from the Army three days ago. At the present time I am at home.

I was unable to answer your last letter which I received in Italy because I was being transferred preparatory to my return to the United States. Truthfully, I don't recall what issue of the Promethean it was that I last received. I have already passed it on to some of the other fellows. I would appreciate it if you could send me the most recent issue you have and any other news to bring me up to date.

I guess a lot of the fellows are returning. I am looking forward to the day when we can have the reunion we have all dreamed of.

Dr. Tate, I would appreciate it if you could send me Dean T.E. Hawkins address. The last time I heard from him he was in California. I think he was on leave from the University for a year.

Sincerely yours

Elmer A. Anderson
