The Dunbar Physics Department has rendered a signal service to the promoters of the play by the beautiful photostat copies made of the "Carmen ad Dianam" which had been loaned us by Doctor Engel, Chief of the Music Division in the Library of Congress. The book from the library had to be returned, Mrs. Cooper had ordered a copy from the publishers but was told the publication is now out of print. She told her troubles to Mr. Smith who called Prof. Weatherless in to conference with the result of 12 beautiful copies of the Hymn which have been neatly stitched into book form by Edward Lawson of
