Dear Miss Tate,

I'm sorry that I haven't written before but I have been pretty busy at this hole. I don't have to tell you what goes on down here because your experience should be able to give all the necessary data.

There are Ph.D's, lawyers, teachers, etc. down here and most of them are privates in the Quartermaster Corps. Ignorance and the ability to be an Uncle Tom seems to be a prerequisite for becoming a non-com.

As far as our business is concerned I shall try to mail it to you within the next two weeks. My organization is getting ready to go on a business for about a week so I am pretty busy.

We may get a furlough after this training and I probably will come to Washington. If this is possible I shall have a better opportunity to discuss our business.

I want to wish you a Happy New Year and a little more vacation for the coming year.

Yours truly,
