### **A CURE FOR LOVE.**

BY S. E. BURKE.

Take 12 oz. of dislike, 1 lb. of resolution, 2 grams of common sense, 2 oz. of experience, a large sprig of time, and 3 qts. of cooking water of consideration. Place them over the gentle fire of love, sweeten it with the sugar of forgetfulness, skim it with the spoon of melancholy, cork it with the cork of clear conscience. Let it remain and you will quickly find ease and be restored to your senses again.

These things can be had at the apothecary at the house of Understanding, next door to Consideration, Thanksgiving Street, not far from Christmas.

All lovers of the kindergarten of Miner Hall take this and relieve Miss Jackson of so much worry and anxiety.
