Dear Lucie

I have just received your good letter mailed
two days ago - Thinking several except Monroe
N. Wood had been able bring out his Biographical
graph on the Negro - Wait till Spingarn told
A. Wood at it you will enjoy the laughs
The Urban Embassy has just returned
and Rogers showed them the notes
of Paris -

Morecai Johnson took a flying a la
Berlin style on the Englishman and
Thos. Jefferson Co. rights at base
to hat. I enclose clipping for you
to see the mighty forces back of Stanton
Poor Yorick - (Sheridan)

We have standing to give Mrs. Johnson
a dinner on the eve of his departure
for Tenn. There must be some fire somewhere,
lots of smoke within the organization -
I heard that Walter White is following
Othello's profession that he has been
eased out of his former commitment

2/11. I do wish you had been ^{The Center} - Have
lots to tell you when we see each
other - It is awfully hot here with
a plague of mosquitoes making life
almost unbearable - like Cairo -

Will write you again if anything
transcendental takes place -

Regards to the boys

Sincerely yours
Cassidy
