Dear Mr. Nabritt: Please don't hold it too much against me, for not letting you know that I am yet in the Land of the Living & the just or unjust - the more appropriate one, please accept.

Heard from Rev. & Mrs. Thurman, not so very long ago - I left Texas in Oct/43 - then went to Cal. - Davis - N.C. Calif. and East, but not West - the Land of the waving palm & cocoa-nut trees - I can assure you, though, that the South Pacific is anything but the stories put out by Hall & Hollywood - Outside of the ordinary tropical climate & vegetation - there are the usual bugs - flying bats (as big as P-24's) and ants - that make our home boys, seemingly, pikers, as for size and bite - Remember me to Pres. & Mrs. Johnson, Rev. Thurman - Profs. Dawson-Williams, as well as the Dean of Men - Mr. Hankins & family - Regards to Mrs. Nabritt. Will write again - at first opportunity - Truly Yours,
H.L. Wells
