## AN APPEAL FOR COOPERATION

IN PAST issues of THE DENTOSCOPE and, in special letters addressed to Alumni, we have made requests for data concerning graduates. While the response has been fair, it is far from what it should be. Frequently Alumni write in, or visit us, and ask for information concerning their classmates, and we are unable to supply this information in many cases. When something of interest to all Alumni happens at the College, we want to be sure of conveying this news direct. To accomplish this end, complete cooperation on the part of every Alumnus is necessary. We will not mail out questionnaires at this time, but we are asking you to mail in yours if you still have it; and if you have misplaced it or did not receive it, simply write us a letter giving your residence address, your office address, your affiliations, a record of post-graduate courses taken and papers published. We want to make our files a "clearing house" for all information concerning Dental Howardites. Please cooperate by supplying the desired information at once.

## THE LOST BATTALION

WE ARE listing here the names of our alumni whose correct addresses are still unknown to us. We are asking, again, that you scan this list and send us any facts which may be at hand concerning the person listed, as we are very anxious to have the correct address of each alumnus in our files.
