**'Beyond Human Understanding'**

The article "Beyond Human Understanding" in the July '75 edition was, in my opinion, EXCELLENT in interpretation, layout and photos.

It is not a wonder that *New Directions* has been acclaimed by the Council for Advancement and Support of Education as one of the "TOP TEN" magazines in the nation.

In my opinion, it is the "TOP."

Cecil Washington  
Lorton, Va.

**'Black Prophecy'**

Here is a reply to the poem "Black Prophecy" by Peola Spurlock (*New Directions*, July '75) which I enjoyed very much; although I was not impressed with the obvious hatred implied:

*Lift your head  
Above the mire  
You are on your way  
to the tallest spire.  
And what, you ask,  
Does it require?  
A little hope and  
Love, my brother.*

Stephen W. Carey  
Graduate Student
