THE ODONTO-CHIRURGICAL SOCIETY OF PHILADELPHIA MEETS IN ANNUAL SESSION

THE annual clinic and guest-day program of the Odonto-Chirurgical Society, of Philadelphia, was presented on Tuesday, April 16th, 1935. A splendid program was offered, and the clinics were all well attended. Papers and clinics were presented as follows: "Luxene Technique," Dr. Harry Hardwick, '24; "Partial Gold Denture Technique," Dr. Sylvester B. Smith, '24; "Crown and Bridge Work," Dr. Percy A. Fitzgerald, Dental College, Howard University, and "Practical Partial Denture Construction," Dr. Edgar E. Carroll, '31, of New York City. Drs. Hardwick and Smith are to appear on the program of the N. D. A. in Louisville, Ky., in August.

At the banquet, on the evening of the above date, Dean Russell A. Dixon of the College of Dentistry of Howard University was the guest speaker. Dean Dixon and Dr. Fitzgerald were voted honorary membership in the society for outstanding contributions in the field of Dentistry. Visiting dentists were present from New York City, Newark and Atlantic City, N. J., Reading, Pa., Baltimore, Md., and Washington, D. C.

LINCOLN DENTAL SOCIETY

THE Lincoln Dental Society, of Chicago, Illinois, held its annual Clinic, in the Lamson Auditorium of Provident Hospital, on Friday, April 11th, 1935. On the program were the following alumni: Dr. H. Sumner Colum, '23, "Office Management"; Dr. H. P. Spivey, '18, "Anesthesia"; and Dr. William D. Giles, '10, "Oral Surgery."

"ADVERTISING DENTISTRY LEGALLY ENDED IN OHIO"

"ADVERTISING" in dentistry suffered legal extinction in the Ohio State Legislature, when the Hudlett Bill No. 145 passed the House and Senate.

The Ohio Valley Dental Society, directing its energies against the advertiser, contributed (morally and financially), to this crusade for years.

The Society was represented at the House committee hearing by Dr. R. E. Beamon, '16, and Dr. W. M. Springer, President of the Society. Both men spoke impressively before the committee. Dr. R. P. McClain, of Cincinnati, member of the House Committee on Health, is a loyal Howardite and sole Negro member of the committee.

DR. SCHOOLEY HONORED BY THE OHIO VALLEY DENTAL SOCIETY

ON THE second of February, the Ohio Valley Dental Society tendered a banquet to Dr. Chas. A. Schooley, "Dean" of Negro dentists in Cincinnati.

Dr. Schooley has been in active practice for thirty-seven years. The Society presented him a loving cup.

THE OLD DOMINION DENTAL SOCIETY CONVENTION

FOR its twenty-second annual convention, the Old Dominion Dental Society met in Richmond, Va., on Thursday and Friday, April 25th and 26th. Members and visitors assembled in Saint Phillips Nursing Home on Thursday morning, when the meeting was called to order by the President, Dr. J. M. Tinsley.

A welcome address was delivered by Dr. W. Harry Bear, Dean of the School of Dentistry of the Medical College of Virginia. Dean Russell A. Dixon of the College of Dentistry of Howard University responded to the address. The moments of interest proceeded from this beginning thru two days of instructive clinics, which were presented by members of the faculty of the School of Dentistry of the Medical College of Virginia.

On Thursday night at St. Phillips P. E. Church, memorial services were held for Dr. D. A. Ferguson, whose unselfish services have emblazoned him in the memory of his associates as the acme in human devotion to a cause and its principles.

Following this, a banquet was held at Slaughter's Hotel, at which Prof. Henry C. McGuinn of Virginia Union University, was the guest speaker. His subject was "World Politics."

On Friday, clinics were resumed, and completed, following which the group was permitted to embark upon a tour of the Virginia State Penitentiary. This proved unique in its instructiveness, and, happily, the slight depressiveness was relieved by the ready wit of the group's sharp humored jesters.

Friday afternoon was devoted to a business session at which the following officers were elected for 1936: President, Fred D. Morton; President-elect, Clarissa Wimbush; Vice-President, William S. Hart; Secretary, R. Henry Bland; Assistant Secretary, D. A. Ingram; Treasurer, J. A. Jackson; Historian, John Chiles; Publicity Agent, L. A. Fowlkes.

The place of the 1936 meeting will be Norfolk, Va.; the time, Thursday and Friday succeeding Easter.

Friday night the meeting reached its climax in a festive occasion, sponsored by the Richmond Chapter of Alpha Kappa Alpha Sorority, in the form of a cabaret dance at the Community Center.

COMMENCEMENT REUNION OF THE CLASS OF 1910

A MOVEMENT was sponsored for a reunion of the class of 1910, during Commencement Week of 1935. This movement was led by Dr. Andrew T. Jackson of Providence, R. I., and Dr. John B. Goggins of Cleveland, Ohio. We were pleased to welcome a number of the members of this class who found it possible to visit us on the occasion mentioned.

The Dean and faculty of the Dental College are pleased to give official sanction to this effort, and to encourage other classes to follow this worthy precedent. We shall be delighted to aid in every possible way, the various classes who might wish to stage a home-coming at Commencement time and enjoy a warm and hospitable reception from their Alma Mater.

A CALL FOR OLD CLASS GROUP PICTURES

WE ARE endeavoring to re-establish the custom at the College of Dentistry, of having each graduating class present a group picture to the College. While this matter is of a sentimental nature, we feel that it deserves more than passing notice. It should tend to engender and to perpetuate a more kindly relationship between the institution and its graduates. This is, by all means, most desirable.

The present graduating classes are arranging to leave group pictures, and, we hope that succeeding classes will follow their example. We are asking the graduates of former years, who have group pictures, and who will part with them, to give them to the College. They will be suitably placed in the halls of the institution as an inspiration to future generations.
