Dear Mr. Narrit -

7

Some few days ago I sent you a cable in re - Leroy V. Stone a student in the dental school. This young man lives at my house, and recently my wife advised me he was having some difficulty in one subject. While I am not fully informed as to all the facts, I am making this statement in his behalf, because I do know the boy, he is sincere, and does study. Now if he has actually failed, then of course nothing can be done. My information in the class, are being cut, and some eliminations must be made. I am assure you this young man is worthy of being considered. Thanking you, and with kindest personal regards -

I am Sinc - Earl W. Howard
