1922

Dr. P. W. Hill, of Clarksdale, Mississippi, is very successful and is deeply interested in dental organization. He has already registered for the 1937 meeting of the N.D.A.

1923

Dr. H. Sumner Colum is the embodiment of modesty, conscientiousness, and frugality; and above all he is loyal to the nth degree to his Alma Mater and to his profession.

H. SUMNER COLUM, D.D.S.

Colum was born in Arkansas and after completing his elementary and high school training in his native state, he attended Fisk University and later entered Howard where he received both the B.S. and the D.D.S. degrees. He is practicing in Chicago, and has done post-graduate work in

anesthesia, exodontia, and orthodontia. His frugality is demonstrated through the ownership of valuable properties in Chicago and in New Jersey. He is a bachelor and maintains a home for himself and mother.

Colum's interest and activity in professional and civic affairs deserves more than passing notice. His affiliations are as follows: the baptist church, the Sunset Hills County Club, the Phi Beta Sigma Fraternity, the Masons, the Woodmen, the National Dental Association, The Lincoln Dental Society, the Chicago Dental Society, the Illinois Dental Society, and the American Dental Association. He thinks that "the organizing of the National Dental Association is one of the biggest steps taken to put and to hold dentistry at the top where it rightfully belongs.

One who had his radio turned to station WDAS of Philadelphia on Sunday, March 14th, at 3:30 P. M., would have heard the voice of Dr. Clarence L. Smith, of 5809 Haverford Avenue, traversing the ether waves. He spoke for five minutes on the effects of oral foci of infection upon the system.

1934

Dr. Norbert G. Bain is one of our more recent graduates of whom we are especially proud and

NORBERT G. BAIN, D.D.S.

whose achievements even so early deserve special mention. Bain is a native of the British West In-

dies. He came to New York City early in life, where he received his primary and high school education. His college work preparatory to professional study was done at Long Island University.

Since graduation from the Howard University Dental College Dr. Bain has served two years as interne at the Guggenheim Dental Clinic, where he is now Instructor in Oral Diagnosis. He is also Visiting Dentist at Sydenham Hospital. He is licensed to practice in New York and maintains an office at 540 Manhattan Avenue, New York City.

He is happily married to Cecile Simkins, of Daytona Beach, Florida. He is a churchman and a devotee of tennis and bridge.
