SEE INSTRUCTION NO. 2

Dear Dr. Tate,

I hope that this letter finds you in the best of health. - Over here every-thing is coming along pretty fine.

I read your letter, of January 31, to Habbe. I was surprised and disappointed quite a bit to find that there are so few of us paid up. I knew that some hadn't had all of the information concerning the organization, but I thought that quite a few were paid up. As far as Herbert Turner is concerned, I intend to write him today to find out what the difficulty is. I will let you know as soon as I hear from him.

You mentioned a second news letter. Nobody that I have contacted has received the first news letter. - That may account for some of the laxity in payment of dues. - Nevertheless, we will do what ever we can to straighten things out all again when I can get some desired information.

Respectfully,  
Robert Hoover
