Scope Note

The Archibald H. Grimke Papers contain materials that reflect his career as a lawyer, editor, author, lecturer, politician and diplomat. These papers include early correspondence with members of the Grimke-Weld and Grimke-Stanley families, other personal, general and organizational correspondence, legal files, Santo Domingo records (which contain official documents regarding his United States Consulship from 1894 to 1898), financial records, manuscripts, articles, addresses, newspaper clippings, photographs memorabilia, artifacts, and bound publications.

There is an extensive series on NAACP records covering the years 1913 to 1930 when Grimke was an active member. He also served as president of the D.C. chapter of the N.A.A.C.P. for 10 years and vice president of the national body until his death. The N.A.A.C.P. series includes organizational correspondence, minutes and reports, financial legal documents, articles and statements, programs, invitations, press releases and newspaper clippings.

The legal files consist predominately of correspondence, receipts, and other financial documentation pertaining to the estates of Emmeline Cushing and Helen Pitts Douglass.

The Archibald H. Grimke materials were acquired in July, 1960 by
