ANTI-SLAVERY REPORTER.

NEW SERIES. Same size as "Household Words."

Published on the 1st of every Month.

PRICE FOURPENCE STAMPED, THREEPENCE UNSTAMPED.

THIS Journal, the long-established official organ of the BRITISH AND FOREIGN ANTI-SLAVERY SOCIETY, and published under its sanction, is exclusively devoted to promote the extinction of SLAVERY and the SLAVE-TRADE; to protect the rights and advocate the interests of the enfranchised coloured populations in the British Possessions; and generally to further the Anti-Slavery cause throughout the world, by the diffusion of authentic information relating to this important subject.

At the commencement of the present year, the "ANTI-SLAVERY REPORTER" was altered in form, and its price reduced to Four Shillings *per annum* stamped, and Three Shillings *per annum* unstamped. Whilst it is intended that its distinctive character as a record of the Society's proceedings shall be preserved, it is proposed also to render it a channel for the dissemination of general Anti-Slavery intelligence, and every effort will be made, by the introduction of varied matter, to make it interesting to the masses.

Communications may be addressed to the Editor, No. 27, New Broad-street, London.

CLARKE, BEETON, and Co. beg to inform the friends of Abolition that they have entered into arrangements for the furtherance of the sale of the "ANTI-SLAVERY REPORTER," and that it may be supplied direct from them at 4s. per annum, post free; or through any bookseller 3d. monthly, unstamped.
