MORRIS SELIGMAN DEES, JR.

The Candidate Will be Presented by Mrs. Elizabeth G. Early

Member, Board of Trustees

Morris Seligman Dees, Jr., Chief Trial Counsel for the Southern Poverty Law Center, was born in 1936 at Shorter, Alabama, the son of a farmer and cotton gin operator.

Mr. Dees attended the University of Alabama where he earned a Bachelor of Arts Degree in 1958. After graduation from the University of Alabama School of Law in 1960, he returned to Montgomery, Alabama where he opened a law office and continued a mail order business he started in college.

The direct mail publishing business (Fuller & Dees Marketing Group) grew to be one of the largest publishing companies in the South. Eventually sales reached \$15 million and in 1969, Mr. Dees sold the company to Times Mirror, the parent company of the Los Angeles Times.

Along with Joseph J. Levin, Jr. and Julian Bond he founded the Southern Poverty Law Center in 1971. The Center has engaged in civil rights lawsuits ranging from the defense of Joan Little in North Carolina to the integration of the Alabama State Troopers.

Mr. Dees was the subject of a made-for-television movie that described Dees's successful fight against the Ku Klux Klan and the \$7 million precedent-setting judgment against the United Klans of America on behalf of the mother of Michael Donald, a young Black

man lynched by the Klan in Mobile, Alabama.

Mr. Dees is married to Elizabeth Dees and they have three children, Morris III, John and Ellie.

**AUGUSTUS FREEMAN (GUS) HAWKINS**  
The Candidate Will Be Presented by Dr. Frederick L. Stone  
Member, Board of Trustees

Augustus Freeman (Gus) Hawkins represented the 29th Congressional District of California for 28 years until his retirement in January.

He was born in Shreveport, Louisiana in 1907, the son of a pharmacist. His family moved to Los Angeles to escape the grip of racial discrimination and to improve their educational prospects when he was eleven years old.

On his first professional venture into politics in 1934, Mr. Hawkins was elected to the California State Assembly, a post he held for 28 continuous years.

As a member of the California State Assembly, Mr. Hawkins compiled an impressive legislative record, eventually assuming the powerful position of Chairman of the Rules Committee. During his tenure he authored over 100 laws, including: slum clearance and low cost housing; the Fair Housing Act; old age pension, child care centers; and The Fair Employment Practice Act of 1959, among others.

Mr. Hawkins was elected in 1962 to the U.S. Congress with the strong support of the late President John F. Kennedy.

Congressman Hawkins was Chairman of the Education and Labor Committee and a member of the Joint Economic Committee. In the more than 55 years of service as a legislator in the California State Assembly and U.S. Congress, he has sponsored major civil rights, education and labor legislation at state and federal levels. He was successful in enacting legislation to grant honorable discharges to the Black soldiers who were involved in the "Brownsville Incident" some 66 years after they had been framed by local townspeople and drummed out of the Army without a fair trial and without honor. As Chairman of the Education and Labor Committee, he was principal guardian of education policy at every level and watchdog of all labor issues. During the 100th Congress (1987-88), Congressman Hawkins authored two landmark pieces of legislation which became law: The School Improvement Act and the Civil Rights Restoration Act which strengthened four important civil rights laws which protect all Americans against discrimination based on race, sex, age or handicap by institutions that receive federal money.

He is married to the former Elsie Taylor.

## THE CONFERRING OF DEGREES IN COURSE

The order of presentation of schools and colleges for the conferring of degrees is based on two factors—the year of establishment of the school or college and the distinction between graduate and undergraduate programs. The first eleven schools and colleges, beginning with the College of Liberal Arts and ending with the College of Allied Health Sciences, were established over the years from 1868 to 1974. These eleven schools and colleges provide basically undergraduate programs. The next five schools and colleges, beginning with the School of Divinity and ending with the School of Social Work, were established between the years of 1868 and 1945. These schools and colleges offer professional graduate level programs. The last school listed, the Graduate School of Arts and Sciences, was established in 1934 and offers graduate level programs exclusively.

## THE ALMA MATER

Reared against the eastern sky  
Proudly there on hilltop high,  
Far above the lake so blue  
Stands old Howard firm and true.  
There she stands for truth and right,  
Sending forth her rays of light,  
Clad in robes of majesty;  
O Howard, we sing of thee.

Be thou still our guide and stay,  
Leading us from day to day;  
Make us true and leal and strong,  
Ever bold to battle wrong.  
When from thee we've gone away,  
May we strive for thee each day  
As we sail life's rugged sea,  
O Howard, we'll sing of thee.

## THE ACADEMIC COSTUME

The caps, gowns, and hoods worn at college and university functions date back to the Middle Ages. Monks and students used them to keep warm in medieval castles and halls of learning. From these practical origins, they have developed into the accepted garb which symbolizes scholarly achievement.

Baccalaureate gowns have a long pleated front with shirring across the shoulders and back. They are primarily distinguished by flowing sleeves, pointed at the fingertips. These gowns may be worn either open or closed.

The master's degree gown is worn open, and the sleeve is cut so that the forearm comes through a slit just above the elbow.

Gowns for the doctor's degree are also worn open. They carry broad, velvet panels down the front, and three velvet bars on the full, round sleeves. This velvet trimming may be either black or the color distinctive of the degree.

Mortar board or caps worn with baccalaureate and master's gowns generally have black tassels. The tassel of the doctoral cap is usually made of gold bullion.

The gold fourragé on the shoulders of some candidates—commonly referred to as an honor cord—denotes outstanding scholastic distinction.

Faculty members and guests in today's procession are robed in gowns and hoods which represent the institutions from which they have received degrees.

The hood gives color and real meaning to the academic costume. Its silk lining bears the colors of the institution conferring the degree. The hood is bordered with velvet of prescribed width and color to indicate the field of learning to which the degree pertains as follows: medicine, green; music, pink; nursing, apricot; pharmacy, olive green; public administration, peacock blue; science, golden yellow; social work, citron; theology, scarlet; architecture, blue violet; arts, letters, and humanities, white; business, drab; dentistry, lilac; education, light blue; engineering, orange; fine arts, brown; law, purple; philosophy, dark blue.

## THE MACE

THE MACE, carried by the University Marshal, Dr. Joseph B. Morris, Professor of Chemistry, is the ceremonial symbol of the University. Its origin dates back to the Middle Ages. It is used on all occasions of academic ceremony at the University. At today's Commencement, the entry of the Mace heralds the arrival of the academic procession.

## THE BATON

THE BATONS carried by the Marshals and Assistant Marshals of each school and college are being used to lead the academic procession of the respective schools and colleges into and out of the place of the ceremony. The batons are made of wood, painted blue, and tied with white ribbons denoting the colors of Howard University.

## THE PRESIDENTIAL CHAIN OF OFFICE (The Medallion)

The Presidential Chain of Office, worn by President Jenifer, was presented to the University on the occasion of the Centennial Celebration in 1967 by Trustee Herman B. Wells and his mother, Mrs. Granville Wells. The chain symbolizes the current and past holders of the office of President. The basic material of the chain is sterling silver, plated with hard gold. Both the University Seal and the Centennial Seal are appended to the chain.
