MANUSCRIPT DIVISION

Scope Note

The NAACP-DC Branch Records span the period 1921-1949, focusing on the period 1939-1948. The collection totals 38 « linear feet and includes records of two other organizations that were closely affiliated with the NAACP-DC Branch.

The Citizens Committee Against Segregation in Recreation totals approximately 1 « linear feet. These records are interfiled with the NAACP Committee on Recreation. E.B. Henderson served as chairman of both committees, and the Citizens Committee was an outgrowth of the Committee on Recreation.

The other group of organizational records are of the Committee for Racial Democracy in the Nation's Capital (CRD), which later reorganized to become the Council for Civil Rights in the Nation's Capital (CCR). These records total 4 « linear feet and comprise the last nine boxes of the collection.

The CRD-CCR and the NAACP-DC Branch shared many of the same members and both of the organizations were involved in some of the same activities, fighting discrimination and segregation. Materials can be found in both sets of records related to the same activities. In some instances, ie. news articles, materials are interfiled because it was impossible to determine which organization collected which files.

Scope Note continued

The records are not arranged in their original order, because there was no identifiable order to be maintained. Many of the folder titles listed in the previous register were erroneous and did not identify materials adequately. The records are now arranged primarily by form or subject area. Correspondence comprise the majority of the records. Although there is a correspondence series, correspondence can be found distributed throughout the collection. This is because oftentimes a group of materials would lose its continuity if separated from other materials in the file. Example, Series C-Cases: materials in each folder includes various forms such as correspondence; news articles, broadsides and reports, all related to the same incident.

Other materials included in the collection are reports, minutes, financial papers, broadsides, periodicals, speeches, typescripts of writings by various authors, news articles and press releases.

Series Description

Series A Correspondence

Box 78-1 The majority of the correspondence is filed by the NAACP Committee
to Box 78-13 members. If there is correspondence between two committee members
both having a file of letters, the correspondence is filed under one of the
correspondents files, (i.e. correspondence between Hill and Scott is filed
in the Scott file only). The general correspondence consist of letters
addressed to the NAACP or a committee thereof, with no specific
committee member identified. General correspondence also includes form
letters, letters of advertisement, partial text, partial names and unsigned
letters. "Other correspondents", refer to a single letter between two
correspondents, usually not identified as the NAACP committee
members. These letters are arranged alphabetically by the author of the
letter. Noteworthy are the letters filed "anonymous". These are primarily
crank letters to the NAACP. As stated in the scope note, there is a
significant amount of correspondence dispersed throughout the entire
collection. The correspondence was not interfiled in an attempt to retain
the integrity of the subject area.

Series B Office Records

Box 78-13 Office records are arranged alphabetically by subject area. Usually
the
to Box 78-41 subject area is indicated by a committee. Materials include reports,
minutes, notes, agendas, printed materials, and correspondence. Some of
the major subject areas are the executive committee, financial papers,
membership committee, press and publicity, and the radio committee.
Included in this series are some records of the Citizens Committee Against
Segregation in Recreation. As stated in the scope note, these records are
interfiled with the NAACP Committee on Recreation. E.B. Henderson served
as chairman of both committees, and the Citizens Committee was an
outgrowth of the Committee on Recreation. Both committees were
involved in many of the same activities. Their efforts include actions
against the Uline Arena, Turner Arena and the D.C. Recreation Board.

Series Description continued

Series C Cases

Box 78-41 Cases are files of materials documenting the activities of the NAACP in
to Box 78-53 fighting segregation, discrimination and violence. Cases are filed
alphabetically by the name of one of the principal parties involved in the
case, the subject area, or the popular name by which the case was often
cited. Files include correspondence, affidavits, news articles, reports,
broadsides and any other materials related to the case. Cases include
assistance to individuals to fight segregation and discrimination in
employment, education, housing, health care, and military service. There are
also cases to fight segregation, discrimination, police brutality,
disenfranchisement, and violence, through a class action. Included are
cases in which the NAACP was an affiliate of a multigroup effort.

Series D National Office and Other Branches

Box 78-53 This series is comprised of communications from the NAACP National
Office
to Box 78-56 and other branches. There are form letters and press releases from the
National Office, arranged chronologically. Also there are lists of the
NAACP officers, nationwide, and press releases and newsletters from other
branches.

Series E Other Organizations

Box 78-56 This series consist primarily of printed materials related to other
to Box 78-62 organizations. Some of t organizations the NAACP was affiliated with in
cooperative efforts. Some materials reflect the D.C. Branch may have
been on the organizations mailing list. Materials include broadsides, news
articles, reports, press releases, periodicals and correspondence. There are
also materials from conferences various members of the NAACP may have
attended. The form letters in "Series A: Correspondence," are also a
source of information about other organizations' activities.

Series Description continued

Series F Printed Materials

Box 78-62 Printed materials are arranged in three areas, the NAACP related materials,
to Box 78-68 general materials and news articles. The NAACP printed materials include office logs, periodicals, stationary, broadsides, photographs, certificates, operational manuals, and writings by the NAACP members. Also included are unidentified and unarranged lists and notes. General materials include press releases, periodicals, broadsides, reports, pamphlets, congressional bills and writings by others. News articles are arranged chronologically and by subject. Many of the articles relate to activities in which the NAACP and the CRD-CCR were involved.

Series G Committee for Racial Democracy in the Nation's Capital/Council for Civil Rights in the Nations's Capital

Box 78-69 The Committee for Racial Democracy in the Nation's Capital was formed in
to Box 78-77 1945. In 1947 the committee reorganized to become the Council for Civil Rights in the Nation's Capital. The NAACP-DC Branch and the CRD-CCR shared many of the same members, and both organizations were involved in some of the same activities. The CRD-CCR records are also arranged by subject area, usually indicating a committee. The records total 4 « linear feet and span the period 1946-1949. Subject areas include financial papers, Employment Committee, Health and Public Welfare, Education and Recreation. Activities documented include materials related to D.C. Recreation Board, President's Committee on Civil Rights, Fair Employment Practices in Government, George Washington Hospital and Gallinger Hospital. There is a significant amount of materials documenting the fight to end discrimination and segregation in the public theaters in Washington, D.C.
