For the Degree of Doctor of Humane Letters
THE HONORABLE COLBERT I. KING
The Candidate Will Be Presented by Mr. Mark Mason
Member, Board of Trustees

Colbert I. King was nominated by President Jimmy Carter in the fall of 1979 to serve as U.S. Executive Director to the World Bank. Upon his confirmation by the U.S. Senate, Mr. King became the first African American to represent the United States in that global financial institution. He was awarded the Secretary of the Treasury's Distinguished Service Award for his role in the development of the World Bank's structural adjustment lending program and the seating of the People's Republic of China.

Following his World Bank appointment, Mr. King served as an executive vice president and member of the Board of Directors of the Riggs National Bank of Washington, DC. During his nearly ten years with Riggs, Mr. King concentrated on international banking and federal financial services.

"Colby" King joined the editorial board of *The Washington Post* on August 1, 1990, and was appointed deputy editor of the editorial page from January 2000 until his retirement in 2007. He continues to write a weekly column under his own byline. Mr. King was awarded the 2003 Pulitzer Prize for commentary, and was a finalist for both the 2000 Pulitzer Prize for commentary and the 2000 American Society of Newspaper Editors Distinguished Writing Award for commentary/column writing. For many years he was a regular panelist on the weekend political TV show "Inside Washington" and a commentator for WTOP, a Washington, DC radio station.

From 1977 to 1979, Mr. King was a Deputy Assistant Secretary of the Treasury with responsibility for international legislation. He served from 1972 to 1976 as minority staff director of the Senate's District of Columbia Committee, where he helped draft home-rule legislation and campaign-finance and conflict-of-interest rules for the nation's capital. Between his work in the Senate and in the

Carter administration, Mr. King was the first director of government relations for the Potomac Electric Power Co.

Mr. King worked for the State Department from 1964 to 1970, including a three-year stint at the U.S. Embassy in Bonn. Before that he served as a commissioned officer in the U.S. Army Adjutant General's Corps from 1961 to 1963.

Mr. King has served on the boards of several organizations, including WETA, Arena Stage, Mount Vernon College, Planned Parenthood of Metropolitan Washington, the Washington Historical Society and AFRICARE. He received the 2008 Lifetime Achievement Award from DC Appleseed, the 2008 Reginald S. Lourie Award, and the 2009 John R. Kinard Leadership in Community Service Award from the Smithsonian Anacostia Community Museum. Mr. King was born in Washington, D.C. He earned a Bachelor of Arts degree in government in 1961 at Howard University, where he also pursued graduate work in public administration and later received the Alumni Award for Post Graduate Achievement. In 2008, Mr. King and his wife inaugurated the Gwendolyn S. and Colbert I. King Endowed Chair in Public Policy at Howard University to encourage highly accomplished individuals to come to Howard and share their experiences with students. In May 2013, he received the Honorary Doctorate of Humane Letters from the University of the District of Columbia.

DR. VIVIAN WINONA PINN
The Candidate Will Be Presented by Mrs. Benaree Wiley
Vice Chairwoman, Board of Trustees

Vivian W. Pinn, MD, was the first full-time director of the Office of Research on Women's Health at the National Institutes of Health (NIH); and was associate director for research on women's health (NIH), positions she held from 1991 until her retirement in 2011. During that time, she established and co-chaired the NIH Committee on Women in Biomedical Careers with the NIH Director. Since her retirement, she has been named as a Senior Scientist Emerita at the NIH Fogarty International Center.

She came to the NIH from Howard University College of Medicine, where she had been Professor and Chair of the Department of Pathology since 1982, the third woman in the U.S. to hold such an appointment. She was honored by Howard's Medical School as one of its 'Magnificent Professors' in 2014. Dr. Pinn also previously held teaching appointments at Harvard Medical School and Tufts University where she was also Assistant Dean for Student Affairs. A special tribute by Senator Olympia Snowe on Dr. Pinn's retirement was published in the Congressional Record in November 2011 commending her contributions during her NIH tenure. The Association of American Medical Colleges also awarded her a Special Recognition Award for exceptional leadership over a forty year career. She has received numerous honors and recognitions, and has presented her perceptions of women's health and sex/gender research, minority and women's health and health disparities, as well as challenges in biomedical careers, to audiences both nationally and internationally. Her implementation of the Congressional mandate to include women and minorities in clinical research funded by the NIH continues to be an effort that she champions. She has long been a vocal advocate for women and minorities in biomedical science careers.

A native of Lynchburg, Virginia where she attended segregated public schools, she has received numerous honors and recognitions, and is a fellow of the American Academy of Arts and Sciences and was elected to the National Academy of Medicine (formerly the IOM) in 1995. A graduate and Alumna Achievement Award recipient as well as former Trustee of Wellesley College, she earned her M.D. in 1967 from the University of Virginia School of Medicine, the only woman and only minority in her class. She completed her post-graduate training in Pathology at the Massachusetts General Hospital of Harvard University before joining the faculty of Tufts.

Dr. Pinn has received 14 Honorary Degrees of Science, Law and Medicine. The University of Virginia School of Medicine has named one of its four advisory medical student colleges as 'The Pinn College' in her honor. Tufts University School of Medicine in 2011 announced the 'The Vivian W. Pinn Office of Student Affairs', named for her at the time her former medical students dedicated a scholarship in her name. In 2005, Dr. Pinn became the first African American woman to give the University Commencement Address at the University of Virginia. She has held leadership positions in many professional organizations, including that as the 88th President of the National Medical Association (NMA) and is currently Chair of the NMA Past Presidents Council. Dr. Pinn serves on the Board of Trustees/Advisors of Thomas Jefferson University and Tufts University School of Medicine, and just completed an appointment as the NAM (IOM) representative on the Committee on Women in Science, Engineering and Medicine of the National Academies. She was recently elected to Modern Healthcare's Hall of Fame, the first African American woman to be so honored, and received the Outstanding Woman Leader in Healthcare Award from the University of Michigan. She is also a recipient of the New York Academy of Medicine Medal for Distinguished Contributions in Health Policy. Among other recent honors, she received a special Lifetime Achievement Award from the Institute for Women's Health and Leadership of Drexel University in 2017, and she also served as the 2017-2018 Leader-in-Residence at the Jepson School of Leadership Studies, University of Richmond. Lectures in women's health and/or health disparities named for her have been established at the National Institutes of Health, the National Women's Health Congress, and the National Medical Association.

One of her greatest honors has been the announcement by the University of Virginia in the fall of 2016 that a medical research and education building was renamed for her as "Pinn Hall," with a well-attended dedication ceremony in September 2017. And in December 2016, the UVA medical school also announced the inaugural Pinn Scholars program to support and recognize mid-level faculty in efforts to take their research in novel directions. Her oral history is included in the National Library of Medicine's exhibit on women physicians, 'Changing the Face of Medicine'; in the University of Virginia's project 'Explorations in Black Leadership' conducted by Julian Bond; and, in The HistoryMakers collection which is now housed in the Library of Congress.

MR. CHADWICK BOSEMAN
The Candidate Will Be Presented by Stacey Mobley, Esq.
Chairman, Board of Trustees

A native of South Carolina, Chadwick Boseman graduated from Howard University and attended the British American Dramatic Academy at Oxford, after which he began his career as an actor, director and writer. Boseman can currently be seen starring as T'Challa/Black Panther in the worldwide phenomenon Marvel Studios' "Black Panther." Since its release in February, the film has shattered box-office records both domestically and internationally. Grossing more than \$1B globally, the film currently holds the all time box-office titles of: number one Superhero movie, the third biggest domestic release and tenth biggest worldwide release. Boseman made his debut in the Marvel Cinematic Universe as the African superhero Black Panther in Marvel Studios' "Captain America: Civil War," in May 2016. He reprised the role for Marvel's "Avengers: Infinity War" also in theaters now.

Boseman's breakout performance came in 2013 when he received rave reviews for his portrayal of the legendary Jackie Robinson in Warner Bros' "42." The film, which had the highest-grossing debut for a baseball movie in Hollywood history, tells the story of Robinson's history-making signing with the Brooklyn Dodgers under the guidance of team executive Branch Rickey, played by Harrison Ford.

In 2014, Boseman once again garnered critical praise for his portrayal of James Brown in Universal Pictures' "Get on Up." The biopic, which also stars Viola Davis, Octavia Spencer and Dan Akroyd and was directed by Tate Taylor ("The Help"), chronicles Brown's rise from extreme poverty to become one of the most influential musicians in history. Boseman received the 2014 CinemaCon Male Star of Tomorrow Award, was named one of the Top 10 Best Movie Performances of 2014 by Time Magazine and was awarded a Virtuous Award from the Santa Barbara International Film Festival for his portrayal of Brown.

He previously starred in the title role of Open Road Films' "Marshall" alongside Josh Gad. The film tells the story of Thurgood Marshall, the first African American Supreme Court Justice, as he battles through one of his career-defining cases as the Chief Counsel to the NAACP. His other feature film credits include: the revenge thriller "Message from the King," Summit Entertainment's "Draft Day" opposite Kevin Costner, independent psychological post-war drama "The Kill Hole" and Gary Fleders' drama "The Express."

Boseman and his writing partner, Logan Coles, a fellow Howard alum, have written the script for Universal Pictures' "Expatriate," an international thriller set around a 1970s plane hijacking. Oscar-winning director Barry Jenkins ("Moonlight") has recently signed on to direct the project, in which Boseman will star.

THE CONFERRING OF DEGREES IN COURSE

The order of presentation of Schools and Colleges for the conferring of degrees is based on two factors—the year of establishment of the School or College and the distinction between graduate/professional and undergraduate programs. The first six Schools and Colleges, beginning with the College of Arts and Sciences and ending with the College of Nursing and Allied Health Sciences, were established between the years 1868 to 1974. Undergraduate programs are predominant in these six Schools and Colleges. The next six Schools and Colleges, beginning with the College of Medicine and ending with the School of Social Work, were established between the years 1868 and 1945. These Schools and Colleges offer professional graduate level programs. The last School listed, the Graduate School, was established in 1934 and offers graduate-level programs exclusively.

The appearance of a name in this Program is presumptive evidence of graduation, but it must not in any sense be regarded as conclusive. The diploma of the University, signed and sealed by its proper officers, remains the official testimony of the possession of the degree. A single asterisk (*) following a name denotes a posthumous degree candidate. A double asterisk (**) following a name denotes a dual degree graduate.

THE ALMA MATER

Reared against the eastern sky

Proudly there on hilltop high,

Far above the lake so blue

Stands old Howard firm and true.

There she stands for truth and right,

Sending forth her rays of light,

Clad in robes of majesty;

O Howard, we sing of thee.

Be thou still our guide and stay,

Leading us from day to day;

Make us true and leal and strong,

Ever bold to battle wrong.

When from thee we've gone away,

May we strive for thee each day

As we sail life's rugged sea,

O Howard, we'll sing of thee.

THE PLEDGE

I am a graduate of Howard University.
I am the bearer of the flame
of a Howard University education that has brought
light to many generations.
It is through the indelible love
and support of my family,
and the courage and sacrifices of my ancestors
that I am here today.

I accept the historic trust of their gifts
and pledge to lift others who come after me.

Howard University is my home.

No matter how far I travel from her,
no matter how long I am absent from her,
Howard University is always here for me.

I am defined by the privilege of a Howard University education.
I cannot fail in life; leadership, service, and the search for truth
and right will light my way.

My potential contributions to humankind are unlimited,
and I will give them freely and in abundance.

I am a Howard University graduate.

The opportunity of the Howard University experience
has conveyed to me a responsibility
to assure the strength of this great University.

It is only through my support that the Capstone
can remain strong and focused.

I pledge support and understand
that it is not a matter of choice, but one of responsibility.

I will never forget that responsibility.

I am a graduate of Howard University!

THE MACE

THE MACE is the ceremonial symbol of the University and is carried by the University Marshal. One of the earliest visual images of the mace is the front-side of the "Narmer Palette" of Ancient Egypt, an oval-shaped cosmetic palette inscribed with human and anthropomorphic figures. King Narmer is depicted on the palette as a mighty conqueror wielding a mace over a symbolic enemy. King Narmer, also known as King Menes or King Midas to the ancient Greeks, unified Upper and Lower Egypt *circa* 3100 B.C., ushering in the great pyramid building of the old kingdom dynasties (c. 3000-2150 B.C.) of Imperial Egypt. At today's Convocation, the entry of the mace heralds the arrival of the academic procession.

THE BATON

THE BATON carried by the Marshals and Assistant Marshals of each School is being used to lead the academic procession of the respective Schools and Colleges into and out of the place of the ceremony. The batons are made of wood, painted blue, and tied with red, white and blue ribbons denoting the colors of Howard University.

THE ACADEMIC DRESS

THE CAP, GOWN, AND HOOD worn at college and university functions date back to the Middle Ages. Monks and students used them to keep warm in medieval castles and halls of learning. From these practical origins, they have developed into the accepted garb which symbolizes scholarly achievement.

Baccalaureate gowns have a long pleated front with shirring across the shoulders and back. They are primarily distinguished by flowing sleeves, pointed at the fingertips. These gowns may be worn either open or closed.

The Master's degree gown is worn open, and the sleeve is cut so that the forearm comes through a slit just above the elbow.

Gowns for the Doctorate degree are also worn open. They carry broad, velvet panels down the front, and three velvet bars on the full, round sleeves. This velvet trimming may be either black or the color distinctive of the degree.

Mortar board or caps worn with Baccalaureate and Master's gowns generally have black tassels. The tassel of the doctoral cap is usually made of gold bullion.

The blue Kente stole worn by the graduates was commissioned for the 1996 Commencement by the University and produced in Ghana. The stole depicts the Nkasewa pattern, which means eloquence, wisdom, and intelligence, and the symbol, Fi-Hankra, means safety, security, brotherhood, and solidarity.

Faculty members and guests in today's procession are robed in gowns and hoods which represent the institutions from which they have received degrees.

The hood gives color and real meaning to the academic costume. Its silk lining bears the colors of the institution conferring the degree. The hood is bordered with velvet of prescribed width and color to indicate the field of learning to which the degree pertains as follows: medicine, green; music, pink; nursing, apricot; pharmacy, olive green; public administration, peacock blue; science, gold yellow; social work, citron; theology, scarlet; architecture, blue violet; arts, letters, and humanities, white; business, drab; dentistry, lilac; education, light blue; engineering, orange; fine arts, brown; law, purple; and philosophy, dark blue.

THE HONOR MEDAL AND HONOR CORD

THE HONOR MEDAL and HONOR CORD are worn by graduates who have achieved cumulative grade point averages making them eligible for the *cum laude*, *magna cum laude*, or *summa cum laude* honors. Encircling the seal is the phrase, "Honors Graduate and Leadership for America," which heralds excellence and the contributions of Howard University to the nation. The silver Honor Cord symbolizes the high academic rank of *magna cum laude*. The gold Honor Cord worn by graduates symbolizes the highest academic rank of *summa cum laude*.

THE UNIVERSITY'S HONORARY DEGREE MEDAL

THE UNIVERSITY'S HONORARY DEGREE MEDAL, worn today by our distinguished honorary degree recipients, is formally presented to them at the annual "Commencement Dinner" held last evening in their honor at the Four Seasons Hotel in Washington, D.C. These medals commemorate the high esteem and honor bestowed upon them as honorary degree recipients at Howard University's Commencement Convocation.

THE PRESIDENTIAL CHAIN OF OFFICE

THE PRESIDENTIAL CHAIN OF OFFICE, worn by President Wayne A. I. Frederick, was presented to the University on the occasion of the Centennial Celebration in 1967 by the late Trustee *Emeritus*, Herman B. Wells, and his late mother, Mrs. Granville Wells. It is a visible symbol of the Office of the President and has been worn by all presidents of Howard University, since 1967. The basic material of the chain is sterling silver, plated with hard gold. Both the University Seal and the Centennial Seal are appended to the chain.

Lift Every Voice and Sing

Lift every voice and sing,
Till earth and heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise,
High as the listening skies.
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod, bitter the chastening rod,
Felt in the days when hope unborn had died;
Yet with a steady beat, have not our weary feet,
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered,
We have come, treading our path through the blood of the slaughtered;
Out from the gloomy past, till now we stand at last
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,
Thou Who has brought us thus far on the way;
Thou Who has by Thy might, led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God, where we met Thee,
Lest our hearts, drunk with the wine of the world, we forget Thee,
Shadowed beneath Thy hand,
May we forever stand,
True to our God,
True to our native land.

--- James Weldon Johnson (1900)
