**DR. NORMAN C. FRANCIS**  
The Candidate Will Be Presented by Dr. Danette G. Howard  
*Member, Board of Trustees*

During his long tenure as president, Dr. Norman C. Francis and Xavier University of Louisiana were virtually synonymous.

As the leader of the nation's only historically Black and Catholic university, Francis guided Xavier's growth both in size and dimension. During his presidency, the University more than doubled its enrollment, broadened its curriculum, expanded its campus, and strengthened its financial base. Its tradition of academic excellence was further enhanced. Francis, then the longest-sitting university president in the U.S. (since 1968) and himself an alumnus, was at Xavier for more than five decades as an administrator. He was credited with being the catalyst for nearly every building constructed on the campus during a period of four decades. The campus itself was physically enlarged with the acquisition of the adjacent properties to the East and West of the original main campus.

Among the major accomplishments of Francis' tenure has been the successful completion of several capital campaigns. Giving by alumni also increased dramatically. All of this growth has not been at the expense of academia, however. Through his leadership, the University instituted a core curriculum and mandatory comprehensives, and became nationally recognized as a leader in minority education.

According to the U.S. Department of Education, Xavier continues to rank first nationally in the number of African American students earning undergraduate degrees in biology and the life sciences, chemistry, physics and pharmacy. Xavier is one of only six schools chosen to participate in the National Science Foundation's Model Institutions for Excellence in Science, Engineering and Mathematics program. Xavier has been especially successful in educating health professionals. In pre-medical education, Xavier is first in the nation in placing African American students into medical schools, where it has been ranked #1 since 1993. The College of Pharmacy, one of only two pharmacy schools in Louisiana, is among the nation's top three producers of African American Doctor of Pharmacy degree recipients.

Named by his peers as one of the 100 most effective college and university leaders, Francis is often cited for his involvement in the community and his work on the national, state and local levels to improve education. Francis enjoys a prestigious national reputation, of which Xavier is still a primary beneficiary. He has served in an advisory role to eight U.S. presidential administrations – not only on education issues, but civil rights as well – in addition to serving on 54 boards and commissions. In 2006 then-President George W. Bush presented him with the nation's highest civil award, the Presidential Medal of Freedom. In 2009 he was named one of "America's Best Leaders" by U.S. News Media Group and the Center for Public Leadership (CPL) at Harvard's Kennedy School of Government.

He has received 40 honorary degrees from other universities, and at least 20 major awards in recognition of his leadership in higher education as well as his unselfish service to New Orleans and to the nation. Among Francis' civic endeavors, he serves (or has served) as chair of the Louisiana Recovery Authority, immediate past chair of the Louisiana Disaster Recovery Foundation, immediate past chair of the Southern Education Foundation, chairman of the board of Liberty Bank and Trust and a member of the Times-Picayune Advisory Board. In the past he has been chairman of the New Orleans Aviation Board, the Metropolitan Area Committee Education Fund and the board of directors of PBS-affiliate WLAE-TV.

On the national level, Francis' activities include serving as past chairman of the boards of the Educational Testing Service, the Carnegie Foundation for the Advancement of Teaching, The College Board, the Southern Education Foundation and the American Association of Higher Education. In the past he was member president of the UNCF, a member of the Board of Trustees of Catholic University, and chairman of SACS, the southern regional accrediting agency for more than 11,000 institutions in 11 states.

Francis was named Xavier "President Emeritus" in 2015.

**THE HONORABLE M. KASIM REED**  
The Candidate Will Be Presented by Stacey Mobley, Esq.  
*Chairman, Board of Trustees*

M. Kasim Reed is an American attorney and politician who served two terms as the 59th mayor of the city of Atlanta from 2010 to 2018. Reed is a graduate and proud alumnus of Howard University where he received his Bachelor of Arts and Juris Doctor degrees and an honorary Doctor of Laws. As an undergraduate member of Howard University's Board of Trustees, he created a fundraising program entitled The Independence Initiative that has contributed more than \$12 million to the University's endowment since its inception. Reed became the institution's youngest general trustee in June 2002 and remains a dedicated trustee *emeritus*.

As mayor, Reed increased core city services while reducing Atlanta's spending during the worst recession in 80 years. His Administration led the city to unprecedented growth, fiscal stability and international respect. Upon entering office, Reed hired more than 900 police officers, creating the largest police force in Atlanta's history. He oversaw a 37 percent drop in crime during his tenure. He also improved fire rescue response times and re-opened all of the city's previously shuttered recreation centers as safe havens for young people. During his tenure, he successfully led a series of sweeping reforms to address the city's \$1.5 billion unfunded pension liability. Though he began his term managing a \$2.2 billion overall budget and facing a \$48 million budget shortfall, under Reed's leadership, Atlanta produced eight years of balanced budgets

with no property tax increases, increased its cash reserves from \$7.4 million to \$200 million, and received nine consecutive credit rating increases resulting in an AA+ credit rating from Standard & Poor's, Moody's and Fitch. As a result, at the conclusion of Reed's service, the City of Atlanta was on its best financial footing in 40 years.

He is a graduate member of the Aspen Institute-Rodel Fellowship Class of 2007, Leadership Georgia Class of 2000 and Leadership Atlanta Class of 1998. Reed was a prime-time speaker at the 2016 National Democratic Convention in Philadelphia. In 2011, *Governing Magazine* named Reed one of the top state-and-local government officials of the year. Thomas Friedman, the Pulitzer Prize-winning *New York Times* columnist and author of *That Used to Be Us*, called Reed "inspiring" and labeled him as "one of the best of this new breed of leaders." And David Axelrod, former Chief Strategist for President Barack Obama, called him "the most dynamic Mayor in America." In 2013, he was ranked among the top 10 most influential African Americans in the nation by *The Root*. His civic leadership and service have been nationally recognized on news outlets and programs such as *Meet the Press*, MSNBC, CNN, FOX and CNBC; and in publications including *The New York Times*, the *Wall Street Journal*, and the *Washington Post*.

Reed lives in Atlanta with wife, Sarah-Elizabeth and their daughter, Maria Kristan.

## THE CONFERRING OF DEGREES IN COURSE

The order of presentation of Schools and Colleges for the conferring of degrees is based on two factors—the year of establishment of the School or College and the distinction between graduate/professional and undergraduate programs. The first six Schools and Colleges, beginning with the College of Arts and Sciences and ending with the College of Nursing and Allied Health Sciences, were established between the years 1868 to 1974. Undergraduate programs are predominant in these six Schools and Colleges. The next six Schools and Colleges, beginning with the College of Medicine and ending with the School of Social Work, were established between the years 1868 and 1945. These Schools and Colleges offer professional graduate level programs. The last School listed, the Graduate School, was established in 1934 and offers graduate-level programs exclusively.

Reared against the eastern sky

Proudly there on hilltop high,

Far above the lake so blue

Stands old Howard firm and true,

There she stands for truth and right,

Sending forth her rays of light,

Clad in robes of majesty:

O Howard, we sing of thee.

Be thou still our guide and stay,

Leading us from day to day;

Make us true and leal and strong,

Ever bold to battle wrong.

When from thee we've gone away,

May we strive for thee each day

As we sail life's rugged sea,

O Howard, we'll sing of thee.

## THE MACE

THE MACE is the ceremonial symbol of the University and is carried by the University Marshal. One of the earliest visual images of the mace is the front-side of the "Narmer Palette" of Ancient Egypt, an oval-shaped cosmetic palette inscribed with human and anthropomorphic figures. King Narmer is depicted on the palette as a mighty conqueror wielding a mace over a symbolic enemy. King Narmer, also known as King Menes or King Midas to the ancient Greeks, unified Upper and Lower Egypt *circa* 3100 B.C., ushering in the great pyramid building of the old kingdom dynasties (c. 3000-2150 B.C.) of Imperial Egypt. At today's Convocation, the entry of the mace heralds the arrival of the academic procession.

## THE BATON

THE BATON carried by the Marshals and Assistant Marshals of each School is being used to lead the academic procession of the respective Schools and Colleges into and out of the place of the ceremony. The batons are made of wood, painted blue, and tied with red, white and blue ribbons denoting the colors of Howard University.

## THE ACADEMIC DRESS

THE CAP, GOWN, AND HOOD worn at college and university functions date back to the Middle Ages. Monks and students used them to keep warm in medieval castles and halls of learning. From these practical origins, they have developed into the accepted garb which symbolizes scholarly achievement.

Baccalaureate gowns have a long pleated front with shirring across the shoulders and back. They are primarily distinguished by flowing sleeves, pointed at the fingertips. These gowns may be worn either open or closed.

The Master's degree gown is worn open, and the sleeve is cut so that the forearm comes through a slit just above the elbow.

Gowns for the Doctorate degree are also worn open. They carry broad, velvet panels down the front, and three velvet bars on the full, round sleeves. This velvet trimming may be either black or the color distinctive of the degree.

Mortar board or caps worn with Baccalaureate and Master's gowns generally have black tassels. The tassel of the doctoral cap is usually made of gold bullion.

The blue Kente stole worn by the graduates was commissioned for the 1996 Commencement by the University and produced in Ghana. The stole depicts the Nkasewa pattern, which means eloquence, wisdom, and intelligence, and the symbol, Fi-Hankra, means safety, security, brotherhood, and solidarity.

Faculty members and guests in today's procession are robed in gowns and hoods which represent the institutions from which they have received degrees.

The hood gives color and real meaning to the academic costume. Its silk lining bears the colors of the institution conferring the degree. The hood is bordered with velvet of prescribed width and color to indicate the field of learning to which the degree pertains as follows: medicine, green; music, pink; nursing, apricot; pharmacy, olive green; public administration, peacock blue; science, gold yellow; social work, citron; theology, scarlet; architecture, blue violet; arts, letters, and humanities, white; business, drab; dentistry, lilac; education, light blue; engineering, orange; fine arts, brown; law, purple; and philosophy, dark blue.

## THE HONOR MEDAL AND HONOR CORD

THE HONOR MEDAL and HONOR CORD are worn by graduates who have achieved cumulative grade point averages making them eligible for the *cum laude*, *magna cum laude*, or honors. The Medal and Honor Cord symbolize that excellence is a hallmark of Howard University. The Medal was commissioned by Howard's President *Emeritus*, H. Patrick Swygert, for the 1996 graduating class. Its round shape is enhanced with a gold finish, symbolizing the eternal and universal value of excellence. The center of the seal asserts the mission of the University – "Truth and Service." Encircling the seal is the phrase, "Honors Graduate and Leadership for America," which heralds excellence and the contributions of Howard University to the nation. The silver Honor Cord symbolizes the high academic rank of *magna cum laude*. The gold Honor Cord worn by graduates symbolizes the highest academic rank of .

## THE TORCH PIN

THE TORCH PIN symbolizes that responsibility and excellence in leadership have been passed down and entrusted to the graduating seniors. It was commissioned by Howard's President *Emeritus*, H. Patrick Swygert, for the 1997 graduating class. Its round shape is enhanced with a gold finish, symbolizing the eternal and universal value of excellence. Encircling the seal is the phrase, "Howard University — Bearers of the Torch," which emboldens graduates to go forth in the Howard tradition to serve as beacons of hope and light in their respective communities.

## THE UNIVERSITY'S HONORARY DEGREE MEDAL

THE UNIVERSITY'S HONORARY DEGREE MEDAL, worn today by our distinguished honorary degree recipients, is formally presented to them at the annual "Commencement Dinner" held last evening in their honor at the Four Seasons Hotel in Washington, D.C. These medals commemorate the high esteem and honor bestowed upon them as honorary degree recipients at Howard University's Commencement Convocation.

## THE PRESIDENTIAL CHAIN OF OFFICE

THE PRESIDENTIAL CHAIN OF OFFICE, worn by President Wayne A. I. Frederick, was presented to the University on the occasion of the Centennial Celebration in 1967 by the late Trustee *Emeritus*, Herman B. Wells, and his late mother, Mrs. Granville Wells. It is a visible symbol of the Office of the President and has been worn by all presidents of Howard University, since 1967. The basic material of the chain is sterling silver, plated with hard gold. Both the University Seal and the Centennial Seal are appended to the chain.

## Lift Every Voice and Sing

Lift every voice and sing,  
Till earth and heaven ring,  
Ring with the harmonies of Liberty;  
Let our rejoicing rise,  
High as the listening skies.  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us,  
Sing a song full of the hope that the present has brought us;  
Facing the rising sun of our new day begun,  
Let us march on till victory is won.

Stony the road we trod, bitter the chastening rod,  
Felt in the days when hope unborn had died;  
Yet with a steady beat, have not our weary feet,  
Come to the place for which our fathers sighed?  
We have come over a way that with tears has been watered,  
We have come, treading our path through the blood of the slaughtered;  
Out from the gloomy past, till now we stand at last  
Where the white gleam of our bright star is cast.

God of our weary years, God of our silent tears,  
Thou Who has brought us thus far on the way;  
Thou Who has by Thy might, led us into the light,  
Keep us forever in the path, we pray.  
Lest our feet stray from the places, our God, where we met Thee,  
Lest our hearts, drunk with the wine of the world, we forget Thee,  
Shadowed beneath Thy hand,  
May we forever stand,  
True to our God,  
True to our native land.
