SIMMS FAMILY PAPERS Collection 89-1 to 89-2

Prepared & Revised by: Karen L. Jefferson June 1980

MANUSCRIPT DIVISION

Scope Note

Mr. James W. Jones donated the Simms Family Papers to Howard University in 1972. The papers total one linear foot spanning the period 1802-1965. However, the majority of the materials are concentrated in the period 1830- 1930. The papers begin with biographical information about John A. Simms, Sr. his wife Martha Ann, his son John Jr., and his grandson John, III. The Simms were very active in the A.M.E. Church in Washington, D.C. The papers consist primarily of materials documenting the history of the Metropolitan A.M.E. Church, and its forerunner, the Union Bethel A.M.E. Church.

The collection also contains materials about the Columbian Harmony Society of which John Simms III was the Secretary-Treasurer. This society was organized in Washington, D.C. for the benefit of its members and it also maintained a cemetery for Black people in the area. Also, noteworthy is some correspondence to John III, from John Franklin Adams and his wife Harriet Chalmers Adams, the first woman geographer. Finally, the collection contains various items of printed materials, programs, articles, periodicals, and information about the A.M.E. Church.
