RING THE ALARM

Before cell phones were in the hands of 80 percent of the population, Washington, DC, relied on its fire alarm telegraph system. Twenty-five telegraphic call boxes were installed across the District to send codes to the Fire Alarm Headquarters identifying their box location. Headquarters then transmitted these codes by telegraph to all fire stations and also activated large bells in towers and church steeples to ring out the same number, thus alerting the call men.

NEW YORK CITY

SLEDGE

Babydaddy, I love you so much. I couldn't have asked for a better partner for this special delivery. You were there by my side all the way (especially towards the end during those gosh-awful labor pains..lol) Thank you for all of your hard work and support. Now look at what we have created! Our baby is finally here! I love you.

ANIQUE

My amazing little assistant! You are a blessing from up above and I appreciate your positive energy. Whenever I needed anything you were there in an instant! I am so proud of you and I know you will go far in life with your exceptional work ethic and kind disposition. You're just an all around great person and a pleasure to work with on every level. I couldn't have passed the torch down to anyone better. Love you!

BRITANY

You've been down for two years Rickett. Tried and true, you've come through whenever you were needed. Thanks for all your help and creativity. Working with you has been a real joy. By the way, what's up with you and Miller? There's been more fizzle and less spark with you two lately. lol

STEPHEN

You are the reason for the single gray strand of hair I have on my head. I will forgive you for the many absences, missed deadlines, and silly excuses, but I will never forgive you for causing me to gray prematurely. When I say that you are like the annoying older brother I never wanted, trust me, I really mean it. Nonetheless, you're ridiculously talented and one of my favorite people at Howard. You are a visionary enthusiast indeed. :)

WINTER

I might as well call you my diary, all the long talks we've shared. I will definitely miss those late night discussions in the office. You're a great person Winter and one of the most talented people I've ever met at Howard. I wish you the very best in life and I can't wait to see you do big things in the future. I love you like a sister.

SIEDA

Baby Sieda! My little celebrity. lol I appreciate all your help this year and I hope your yearbook experience has been everything you expected and more. It's been a joy to watch you grow this year. I can't wait to see what is in store for you. Love you.

RON

The man of few words but copious concubines. You crack me up so much Ron. Try sticking to one girl though, okay? And stop eating so many chicken sandwiches before you turn into one. And please, please stop having run-ins with the law. I consider you my little brother so I only say this because I care. Make me proud next year! Love you much.

FREDDIE

Copy gets a gold star! Thanks for all your hard work Freddie. You've done such a great job. You're beautiful inside and out with an impeccable sense of style. I hope you have a fantastic senior year, love!

ANNA

I told you this last year, but I'll say it again: I love talking to you Anna. You're definitely a woman of candor and humor and directness. And I absolutely love you for it. I wish you all the best in life, love!

REED

You keep us on track and as focused as possible point blank period, all while staying smooth as can be. You immediately instill fear in the yearbook office when you angrily run after Steve time after time again lol. I will never forget you at the Christmas party and you going in on Rasberry. Classic. Keep being cool!!

MOMMY & DADDY

I LOVE YOU BOTH SO MUCH! You two are the best parents in the world. I know I may not always say thank you but I am truly grateful to have you in my life. And you both usually are right! 99.9 percent of the time anyways. I'm going to start listening. lol

REED

I couldn't imagine my yearbook experience without you Reed. Times with you and the staff have marked some of my fondest memories at Howard, and Lord knows I am going to miss your antics. LOL Thanks for being such a wonderful adviser and always looking out for us. Don't forget about me when you become Hollywood! Love you Reed.

STACY-ANN

You make my heart smile Stacy-Ann. You are just a radiant and beautiful person. Thank you for your dedication to the team. I will never forget the expression on your face when you found out I was your Secret Santa! And what exactly did you end up doing with that box perm? lol

KODI

Baby Kodi! I love your bubbly personality. I had so much fun with you this year and it was great getting to know you. Enjoy the rest of your time here at Howard. Make the most of everything and go for your dreams! Love you.

IRENE

Line, thanks for being you! You have been a great light in the office with all your dancing and singing. lol I love you and I appreciate all your help this year. You're just amazing Irene and I am going to miss you something serious!

JOSH

Mama Said, you are quite the character! Thank you so much for "getting that money" and keeping the office lively. There's so many memories..You were a part of the late night crew so I will forever remember those crazy conversations we had. I'll also remember Midnight Madness, Thirsty Thursdays, countless jugs of sangria, "Beep, beep! Security! Trifling negro coming through!", you dapping up the trifling negro (you're a horrible security guard by the way), run-ins with the cops, and so much more. LOL I love you like a little brother. Have fun your senior year and please stay out of trouble Josh!

TOPAZ

Lay it out! You put in work and I'm proud of you. Thanks for keeping Ron and Stephen in check for me Topaz! Keep shining girl. Your kind and gentle spirit always puts me in a good mood. I will miss you. Don't stop dancing either!

INDELIBLE 38

I grew up as an only child but God blessed me with 37 incredible sisters Spring 2009. We've been through it all ladies and it has only made us stronger. Thank you so much for all the love and support! I'll miss you all. **NEOS!** I love you all so much and y'all will always be my babies! Remember you were all chosen for a purpose. Continue to make me proud and carry on the Alpha Chapter legacy. Muah!

BEKAH, KYLA & CIERRA

I love you girls to pieces! You have all been my best and closest friends since freshman year. You guys have always been there for me through it all. It's sad that we're all parting ways now but our friendship will survive the distances. Y'all are my ribs. I love you!

A HUGE thank you to the photo secretaries, volunteers, office rats, and all those who made ENCOMPASS possible. I appreciate you all! Wow, this is it!

One of the greatest experiences of my life!

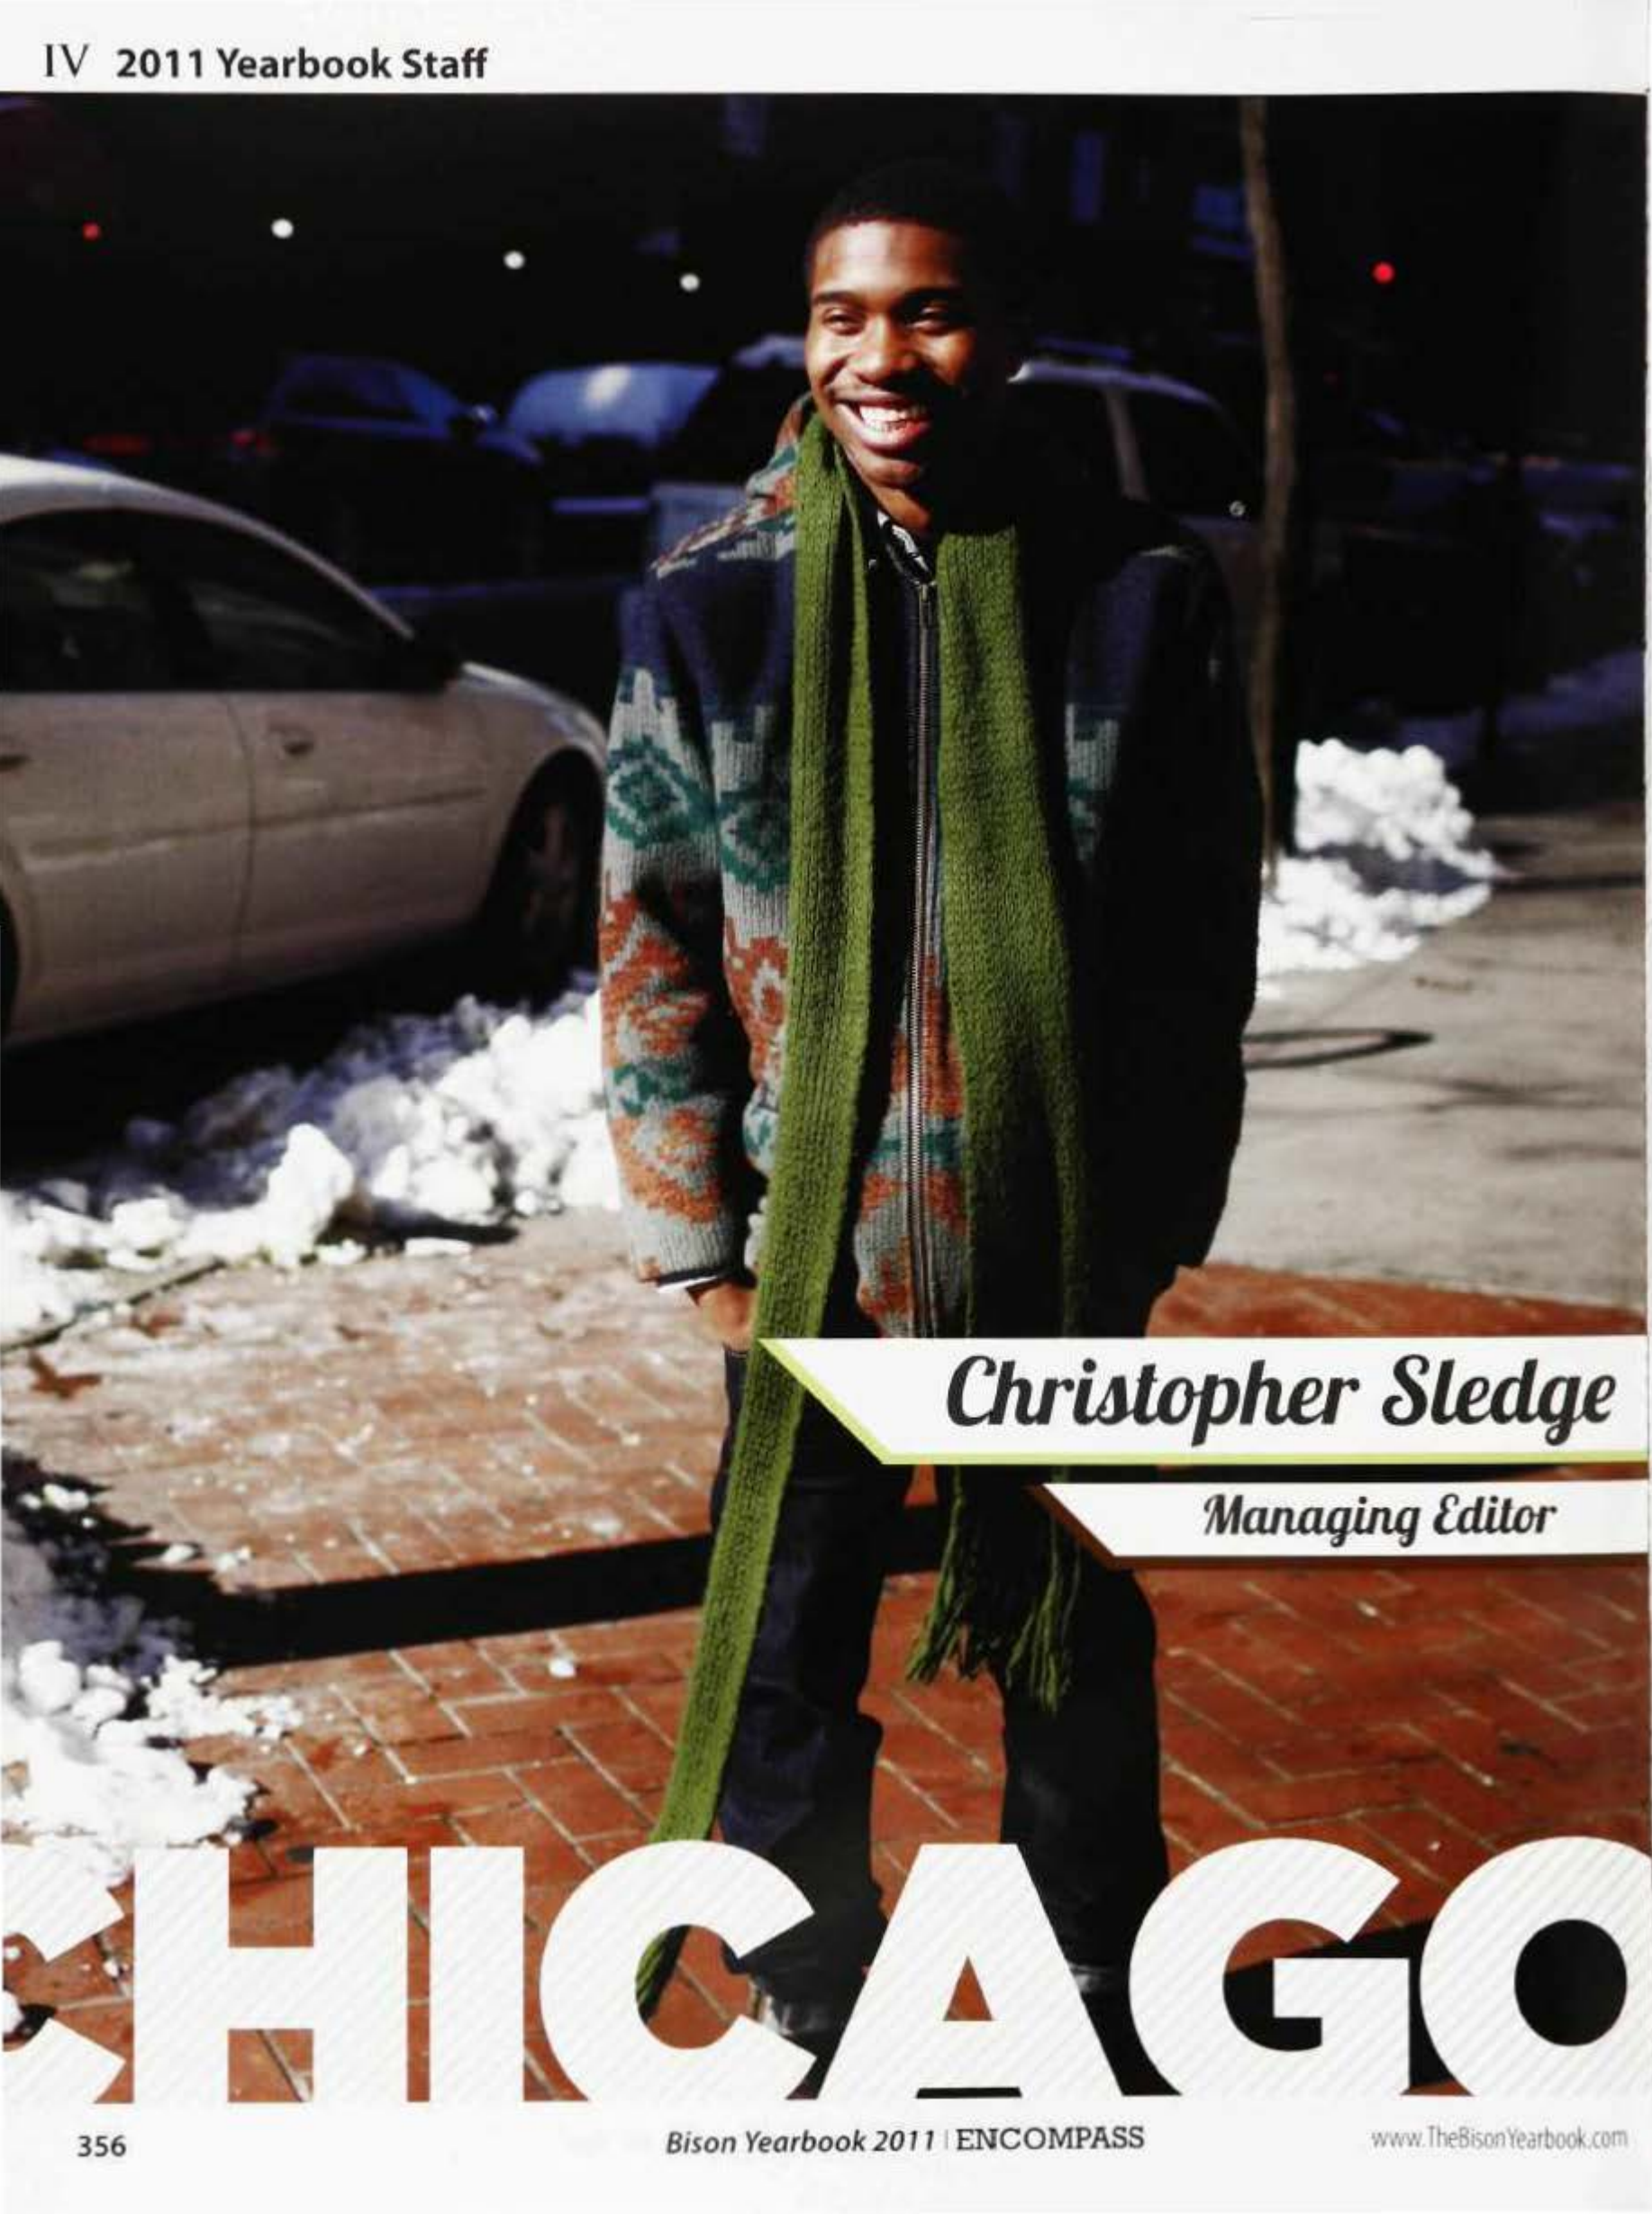

I LOVE HOWARD UNIVERSITY!

ANGELA

This year has been one of the most amazing experiences of my life, and I am happy to have shared it with you! Honestly, last year when we met I never thought that we would be working so closely this year. First off, this year has been enjoyable but there have also been times where I did not see us pulling through and producing such a great product. From the conception of the book in Virginia Beach to the crazy temper tantrums I threw during meeting, you have been there every step of the way ensuring me that we would make it through! LOL.....I almost forgot to mention our heated convos in the office about "BEEP BEEP" LMAOOOOOOO! You are growing into an amazing individual and I know Dads going be proud of you regardless of what direction you look to take after school!..... So take that leap and go explore what life has to offer, it can only make you a more dynamic individual. (I'm going to save all the mushy stuff for the dinner lmaoooo so be ready!)

ANIQUE

"You can very well transform that negative energy into a positive energy that empowers you and makes life meaningful. (Thich Nhat Hanh)" It wasn't until I met you that I discovered a person who understood the importance of energy and its relationship to your personality, achievement, and most importantly friendships! Our friendship has grown into something that is undeniably the greatest things life has to offer! You have held me down since day one last year, as I did the same for you. LOL!!!!!! I don't have to tell you how thorough you are or how successful you will be, because it is in your destiny! I will make sure I keep my wavelength locked to yours so you can always help me out when I need it most!!!!!! ~Your BroBro!!!!!!

BRITANY

RICKEYYYYYYYYYYYYYYYYYYYYYYYYYYYY (Yes I screamed it with a big smile on my face!!!) Damn where do I begin.....It is rare that I find individuals that have the same artistic taste as myself. From music to food, you enjoy the best and most exclusive aspects of life. These very traits are going to be the foundation to your success! I feel it would be easier to tell you in depth how I view our relationship over a few "SledgeHammers" and some shrimp! So whenever you are ready give me a call. (And whenever you read this just find me and we can setup a day to discuss our achievements!)

FREDDIE

.....HUH.....I still have a whole year before real goodbyes lol so I'm going to keep this simple. You are amazing! Let it be how stylish you have become in the last two years or how you go from "My Fred Ded" to "Super Freddie", you continue to remind me why I began to enjoy your company in the first place. I hope to see you in New York in the future so the takeover can begin!

WINTER

Win(tour)-.....Wow.....What a year.....both you and I know of that our relationship is a rocky one, but I must say it has strengthened our friendship in and "odd" way! Threw all the arguments and craziness I must say it was all because I see a strong influence in your personality. You have the capacity to be greater than where you see yourself. I admire your work, and passion for the craft, and threw this connection you have helped me learn myself and realize the flaws I have as an individual!

IRENE

Scrapbook What!!!!!! A year ago we did not know each other even existed, now I look forward to our daily World Star (Hip Hop) videos and group dances lmao! Hell..... I feel like we will do the Barney until we're old! #yearbookofficeparties.....)! Our friendship has been short lived but I'm sure our connection will allow us to get it in again!

ANNA

F%\$@ U MEAN!!!!!!!!!!!!!! You are sincerely one of my favorite people at Howard! From the moment we met in The Cafe with Kenya, you have been my fam! I know we gonna be flexin in the future so lets keep our friendship going!!! Love Ya!

REED

Man Reed- This has been a long trying year for the yearbook, and I know we put you through a lot of stress this year. But trust we appreciate you holding us down throughout the entire process without blowing up to soon. Working with you for the past two years has proven to strengthen our work relationship and I don't say it often but I really appreciate you for holding me down as I have grown into myself at Howard! THANK YOU for everything and know I could never say it enough!

ALL OF STAFF: What a year! First let me apologize to everyone for being moody sometimes. Many people consider me a leader but I knew it was a lot I had to learn before I became a "real" leader. In the beginning of the year it was tough for me to get acclimated to the staff because of the amazing experience I had last year with staff, but what I failed to realize is that each staff is in a sense a new life form within itself, a different person. I love you all and I'm just so happy that I had the opportunity to grow with you all creatively and spiritually. You all taught me so much about my flaws and myself. 20 years from now I hope that this experience means as much to you as it does to me! LOVE YHALL!!!!!!!!!!

STEPHEN

UNCLE STEVE! GOD DAMN.....I have seen you get cursed out so many times that I began to feel the blunt end. LOL. But through it all I have been the one to understand the process and why you sacrifice your reputation for the quality of the designs that you produce. You are possibly one of the most selfless individuals that I have met in years! I owe you so much because you energized my passion for design and provide the knowledge and connection to help incubate my creative desire and its place in society! I know the random FYI will not end here and eventually I hope to link up and create amazing works of art with you! But to avoid babbling and making your goodbye to long, I'm going to end here. THANKS for everything you taught me, I sincerely cant repay you!!

TOPAZ

ToPeezy! My Chicago fame, since freshman year we have been tight as hell, and you know I love you with all my heart! From the accident on the way to Ocean City to the CPU party that almost destroyed the "Bryant House" you have been looking out for a n@#%a and that means a lot. "Get-It-Popping Peezy" is your new name for me, you held it down when it was time to get it popping and was always willing to give Juking Lessons to anyone who dared try! You were quick to lend a helping hand and I really appreciate you for that. But s*@t doesn't end here, cuss everybody knows The Chi connection is forever!

JOSH

"HOSH"UA.....Moth%^fu&@er, you always tell us that you are not retched but actuallyyyyyyyyyyyyyyyyyyy.....YOU ARE! From you hosting the daily yearbook talk show after hours to you cursing out random teachers, you kept the energy in the office. Behind all of your tweaks you are one of the most intelligent people I know! Within these few months, we have had crazy ass moments from the YB Office tweaks, to the X-Mas Party (aka the "Momma Said Party). You know Jaya is the like blood so I'm happy to consider you somewhat of a brother! Lets go ham for the new year!

SIEDA

WHATTTTTTTTT!!! Si, First-off Meridian was the tweak, and since our friendship has flourished!!!!!! From Dreamteam parties to UTC parties, we have got it in in the best of locations. We share a passion for memories through photography, and I feel if you invested all more energy in the craft you could truly become an amazing documentary photographer. But our road doesn't end here. To be continued!

KODI

Kodi Odi Dapelicious- Check it out.....my Kodi Beans was on staff this year! I figured you would enjoy the family and from what I've seen you did. I admire your growth from Pals to Yearbook, and hope that you continue to strive for new heights, but enough with the serious talk. Get it in..... Get it cracking, we have another year together so lets continue to make lasting memories for each other!

RON

MY N#\$%A RON!!!!!! This is a tweak first off. Who would have ever guessed in a billion years that you would be on Yearbook, going ham with the rest of us. Freshman year you tweaked the whole Chicago fam out when you just started popping up in Ras room watching mawgs play 2K. You went from the random that came and went, to one of our closest friends. SHOUTOUT TO YOUR BIRTHDAY 151!!!! You know how we used to get it in and for the most part we still do or beverage preference has just changed slightly lmao!!! But on a serious note its crazy to see the growth you have made as an individual within the last 3 years. You always had a very personable and fun persona that I knew everyone would fuck with, and I'm just happy you are allowing others to see you for who you truly are. Next year, we definitely are bringing the Freshman year tweak back to Emerson so be ready!

ANIQUE

Anique you are a quiet storm with a great personality, I truly enjoy your kind and sincere outreach to everyone. Please never change.

WINTER

Yearbook has been my first experiences around you and I've grown to truly love the PERSON you are. Outside of your beautiful photography, you are an honest living person who thinks logically and creatively. I respect and admire you. <3

You are one of a kind sweat pea and I'm so glad you are in my life. There are too many reasons to count why I adore you but here are some: 1) your hair 2) your style 3) your genuineness. Of course this is not really goodbye for you and I so, PEACE sis.

To infinity and beyond kid. Peace and much love.

BRITANY

STEPHEN

You are flipping hilarious! And we've had good times too. Last year you stayed getting us in trouble with Moni! Glad you cleaned up your act. You're like a big brother, a mildly autistic one, but hey that probably why you're so ingenious.

**"NEVER SAY 'GOODBYE',
BUT INSTEAD SAY
'SEE YOU LATER'"** . - ANON.

SIEDA

Sledge voice "Stop with the hand Siedah!!" haha! If Ron is the Silent Killer then you've got to be the Quiet Storm. You remind me of Angie with the Ying-Yang #swag lol. You have wonderful ideas sunshine and are so creative. Continue to grow into your creative power and harness it all to manifest wonderful works of art. You've got a great heart and a bright road in front of you.

KODI

Little staffer! I don't even know where to begin. You are certainly a force to be reckoned with. Your style, signature dances, and beautiful nature are enough to win anyone over. Remain true to yourself and let your raw talent and charisma shine. Can't wait to hear about the amazing things you do as you continue on your journey Love.

FREDDIE

Fred you are fly as a mug and such a sweetie. I remember us having class together before and we didn't talk much but I'm happy I've gotten the chance to know you better. You have a great work ethic and the most wonderful ideas. Cheers to the future!

TOPAZ

Topaz I love you! You are so sweet and just a gem! I remember when we first met right before our YB interview and all I could think was "dang she is so nice, I hope she makes it". Well here we are now months later and you've become a special and irreplaceable person in my life. I'm excited for what our new friendship will bring.

ANNA

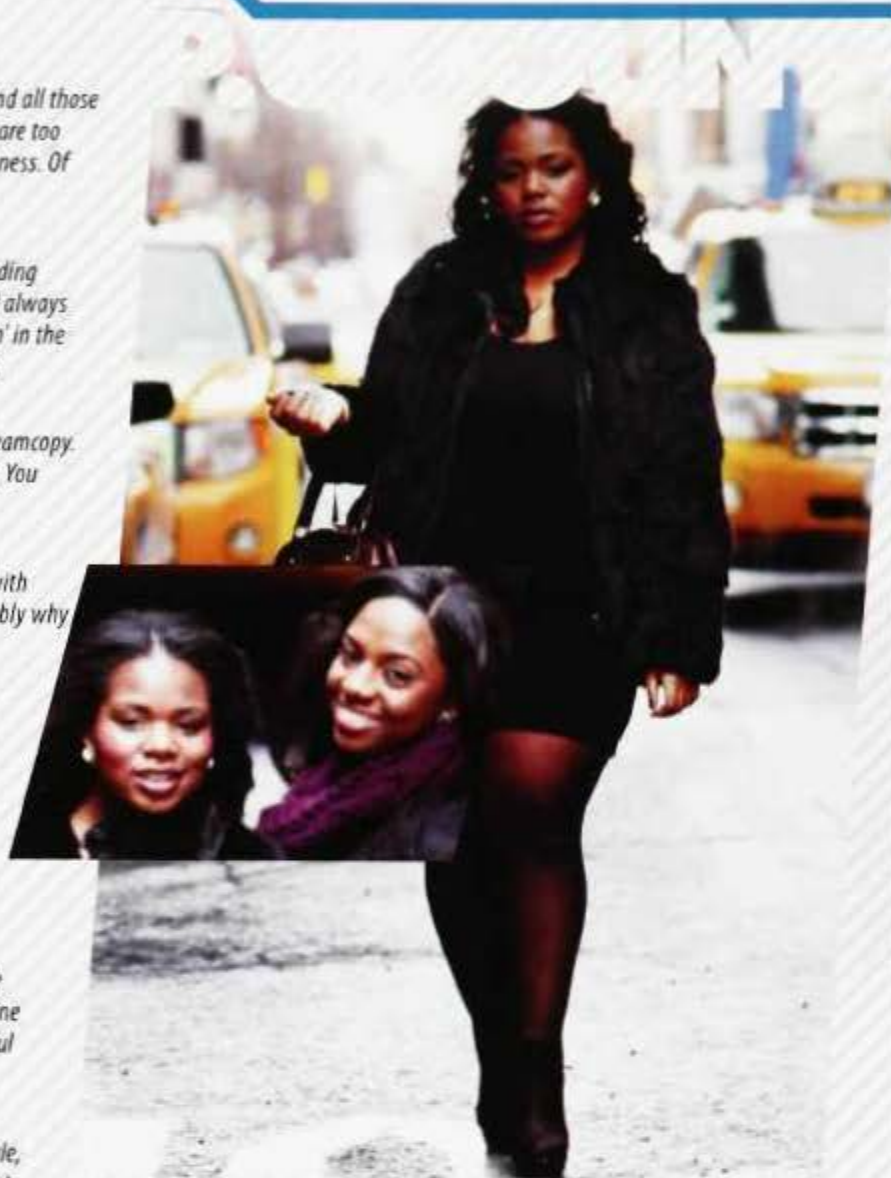

Sister, friend, and confidant. Almost two years in the game girl and I still love you just the same if not more. Who would have known that we would have gotten so close? You've grown a great deal since we first met and I can't wait to witness your continued progression. Sunshine or rain I'm here so remember, "Sweet is the voice of a sister in the season of sorrow." - Benjamin Disraeli. Peace!

REED

#itsgonnabehuge. Mr. Reed you try to be so stern but you're just a softy. Yearbook just wouldn't be the same if we didn't have you as our advisor. Thank you for being generous and thank you for just being Reed (lol). We've had some good times working to produce TWO award winning books (yes I'm claiming it for us in his name, amen) and I hope there are more in the future. Peace!

Anique M. Hameed

Assistant to the E.I.C.

JOSH

#Rideordie. Josh we've been through too much to even explain in the entirety of a book let alone on this page. Orientation, freshy year, getting it poppington every night and even in the day in M Dot, #takomapark, etc, etc. You already know, till the ashes blow Joshy. Thanks for being a true friend.

IRENE

Irene! Don't leave us! Joking, I know you have a calling far beyond the walls of Howard and when it is time to go it is time to go. From the first time we met I knew you were such a sweet person. I drew to you because you were so in tune with your family life, values as a woman, and you had a love for ratchet music though you set a high standard for class. Thank you for being a kind and guiding force as well as someone to look up to. You're going to make a great teacher, and hopefully soon we'll be seeing your name in lights!

ANGELA I can say you are definitely one of these most photo-ready individuals on staff lol! You are one of the sweetest and most genuine people I know. One of the things I admire about you is that you really put your heart into what you do. I can tell you really love this book and your YB family, and you can clearly see it in the finished product. Love you!! And I still have that box of perm lying around somewhere just for laughs! Lmao! =]

ANIQUE You are God-sent!! You're such a sweet, wonderful friend and a driven woman who knows what she wants in life. I still remember how at ease you made me feel at the YB interest meeting when I was all worried and nervous about applying. =) Annnnd we must go thrifting, you already KNOW. I'm also glad I got to meet the other side to you, you can get a little ratch sometimes, and anytime "Nasty Song" comes on, Nique you know you're the first one getting down. Lmao, I love you infinitely!!

CHRIS WOOOOOOOOOOOO!! *Big Smile* It was only right to start in a true Sledge-like fashion. Sledge, you're the best, forreal (except when you're mad at us, then it's scary), even though you stay telling me that I'm weak as hell, hmph! You keep us on track during meetings and keep the creative ball rolling at all times. I can't wait to see where you end up in the next 10 years. Bump that, make it 5. Love you Sledgey-Poo!

BRITANY Britany, seriously, you are one of the most amazing people I've had the pleasure of being friends with at HU. You are a dynamic, crazy, poetic, patient, hardworking, supporting, classy, loving, ready to kill Stephen person (lol), and a BOMB writer. I know you're going to be extremely successful because you play no games when it comes to business and doing the things you want to/love to do. Always remember our NY car ride! Love you Copy mom!

STEPHEN Oh Uncle Steve, where to begin... You're definitely the cool uncle in the family that everyone else complains about, that they're doing such and such wrong, but you still think they're the best because they slip you a dollar behind mom's back. Yeah, I think that sums it up pretty well. Lol, got lots of love for you, stop getting beat up by Angi, Rickett, and Winter, and oh, I STILL want that Polaroid camera you left in Cleveland!

WINTER Winter!! Or the new Mrs. Miller as we saw this year, lmao. You are soo hilarious in an awkward, satirical kind of way, I love it! You and I always knew the perfect time to do the awkward turtle/flying chicken dance. By far, you are one of THE most gifted photogs I've ever met, you have the funniest stories and have provided YB with enough awkward, misconstrued quotes to make a book with. Which I think we should... oh snap, light bulb! And I still think you had the best staff "that's what she said" shirt ever! Stay real, stay honest, and NEVER change for anyone.

SIEDA Yes!!! Sie, you and I are the underrepresented ones on staff region-wise, but we hold NY downnnnn. You're the only one that gets me when a reggae song comes on, they just don't know!!! Smh! And we always spend our office ours doing homework, except you actually progressed with your HW with those awkward phonetic symbols, I never moved past that page in Black Marxism --. Whatever, you and Kodi are the official twerk team/jukin dancers in YB I hope you are aware of this! XOXO! =]

KODI My fellow Whip My Hair dancer!! Even though my hair isn't quite whippin at this point, but one day my hair will look as luxurious as yours, believe me! We came a long way, you were my baby Quad for a little bit (and I religiously referred to you as Barbie, lol) and now we're the copy interns, bow bow! Kodi, you're a lively ball of energy and we can always count on you to #1- get the party going and warm up the dance floor, and #2- take a MILLION photobooth pictures during meetings and/or office hours. Idk how we're fitting all of them in the staff section =/ lol. MUAHS!

JOSH

sigh, eyeroll, hand against face* Where on EARTH do I begin with you. First of all, YOU ARE RATCHET!!! Second of all, there is absolutely nothing wrong with that! If you DON'T think you are the LIFE of both the yearbook and Pai office (lmao, see Raspberry and Justin Frazier for dance reference), then you are clearly confused. I think you were actually the 2nd person I met on staff and I'm so glad I met your crazy behind. Always helpin me out and holdin me down when I needed it, thanks a mil and you better be on YB again!!

IRENE

When it comes to keeping the office up to date with hilarious videos, download site hookups, the newest great music, or just a fun karaoke session, YB could always count on you. Actually, I hope you still have that microphone I gave you!! From QD to YB, I'm glad I got to know you more and just for the record, you're going to be an amazing teacher after grad. Them kids will love you! Stay crazy and always remember, SCRAPBOOK WUUUUUUUUT??

RON

HI RON!!! I had to do it, lol. Ronald, you are a special one. You are the most confusing person I know, like in life. You are the Creeper Savior who slammed his own finger in the door. And you are Waka Flocka's number one fan. S/o to putting me on to Grove Street Party though! Somehow, I can't forget about the fact that you have two pythons. What are their names? Oh, that's right; they don't have names because they don't answer when you call them. --. Yr the best Ron!! Pimp daddy.

REED

You keep us on track and as focused as possible point blank period, all while staying smooth as can be. You immediately instill fear in the yearbook office when you angrily run after Steve time after time again lol. I will never forget you at the Christmas party and you going in on Raspberry. Classic. Keep being cool!!

ANNA

Turnt up Annaaaa!! Or Showstopper as Reed says, haha. Anna you are super cool, I feel like I'm mad late in meeting you, but I'm glad I got the opportunity to this year. You're the sweetest person and it's always fun to hear you and Josh reminisce about life in ATL, especially about those lemon pepper wings or something like that (did I get it right?). You always keep the positivity level sky high in the office. And yoo I will never forget the time you analyzed the Runaway music video for us. That was an experience. It was so on point. Anyways, I love you guhhh!!

TOPAZ

PEEZY!!!! You're my heart! It's great to have another soft spoken one on staff, besides Ron but he doesn't really count. Somehow you always manage to brighten up my day with the big smile of yours, keep doing that! Topaz, from now on I will think of the stories of your wilder days in Chi-town. Gangsta!!! From one dancer to another, I love u! And you're gonna teach me how to do a mean juke too, just watch =]

FREDDIE

Copy teammmmm! Ms. Ransome, I honestly think you have the coolest name. C'mon, Fredricka Ransome? You definitely have a celebrity type name! Anyhoo, you are lowkey hilarious and suuuper chill, which we sometimes need in that hectic office! And like Nique, you have a genuinely cool sense of style and you're lucky you're small (or I'm big, lol) because I'd be tempted to raid that closet! Lol, stay sweet lovee! =]

ANGELA

Mommy Ange, it has been a great experience working with you and building a relationship with you. You are such a genuinely charismatic woman and you are great at keeping a level head under pressure. I only expect the greatest from you when you graduate and I'm going to miss being greeted with your smile. I remember during interviews, you smiled the entire way through. You were so nice that I actually got nervous, like, uhhhh is something funny? Lol. I'll always be your YB baby.

CHRIS

Sledge-y Poo, the daddy of yearbook.. You already know the bonds we share, CP, my fave, you brighten my life. You are a great innovative thinker. You know how to implement tangibility to almost every idea you have in all spectrums of life. I respect and admire you for that. I loveee youuuu. CP!

BRITANY

B.Ricks, you are about your business. You have a way with words on paper and in person. Use your dominating presence to your advantage. I admire your writing. Goodluck on everything you endeavor.

ANIQUE

You almost had me fooled with that whole sweet girl act! but i really love the woman that you are i was genuinely blown away in your Ast EIC interview i loved that you listened to the little suggestions that everyone had for the next book you were so on point and the talks we have in and outside the office about your non profit i can not wait to see them develop and hopefully work with you in the future!!

WINTER

Yearbook has been my first experiences around you and I've grown to truly love the PERSON you are. Outside of your beautiful photography, you are an honest living person who thinks logically and creatively. I respect and admire you. <3

SIEDA

Mommy Sci, #FB, the many experiences we have had together this year has made you apart of my family. From the train rides, ATL, yearbook, and me being an honorary roomie, I love you. You are so talented and genuine. Lord, Lord, Lord.

Kodi Haynes

IRENE

Oh the adventures and great sing-a-longs we have had. You are so multidimensional and talented. You crack me up. I know you are bound to be one of the best teachers. I will miss your presence.

JOSH

The Jack to my Jill. Lol. You are hilarious, I am actually dying laughing thinking of all the times we had together. You are such an easy person to gravitate to and your kindness will definitely get you far in life. I love you

STEPHEN

Ah Boy! There's so much I could say. You are extremely talented and you know that, lol, so you take advantage of it. Working with you has allowed me to gain a deeper appreciation for all of the work that comes with graphic design. You are a character; funny, sincere, and most of all, yourself. I'll miss you.

STACY-ANN

From our quick moments for the step team, lol, even to trying to learn the choreography to Youtube videos, your are entertaining. You're a beautiful person. It was fun working with you and I wish you the best.

FREDDIE

Freddie! We have history, lol. I love you! You are a great writer and you are my CP family. Working with you in yearbook, allowed more fun times to manifest itself. It's been wonderful. <3

RON

My Ron. You are one of those people that gives me an urge to observe just because I know that's what you do. You watch and pick up almost any skill, and you make it work. You work without complaint and you are always willing to help when needed. Thanks for always being there. Even in the smallest ways. <3

TOPAZ

Topeezy, you are the sweetest girl on staff. You're so soft spoken and reliable. You genuinely care about others and many days you've made one of my stressful days, well worth it. Thanks. It has been a blast! <3

ANGELA

HNIC! I'm so glad I've gotten to know you through yearbook. I admire your leadership and diligence in making sure that this year's yearbook is something to never forget. This year, the yearbook has reached new heights, tackling all aspects of not only a student's journey through Howard, but through life as well. Your open-mindedness and creativity have made it possible for the book to be what it is.

CHRIS

Sledgy! What can I say? You've been my road dog since freshman year, so you already Sledge know how I feel about you. Thanks so much for welcoming me into your Yearbook fam. Although we've had some challenges along the way, it's been one of the best years I've had at Howard. I admire the sacrifices and hard work you've put forth to create an impeccable yearbook. MWAHHH!

SIEDA

Siiiiiiiiieee! Ugh, where do I start? We didn't get cool cool until this year and I feel like we've grown close! You've been like my little photography mentor (since I'm a photographer lowkey). Thanks for holding me down. I absolutely adore you and your energy!!

ANIQUE

You almost had me fooled with that whole sweet girl act! but i really love the woman that you are i was genuinely blown away in your Ast EIC interview i loved that you listened to the little suggestions that everyone had for the next book you were so on point and the talks we have in and outside the office about your non profit i can not wait to see them develop and hopefully work with you in the future!!

WINTER

I've known you since freshman year when you would always be on Baldwin 4th floor ☺ I've never had a chance to work directly with you until this year and its been an absolute pleasure. Your vision, innovative ideas, and photographic talent set you apart from many. Oh yea, and the way you periodically pitch ideas in meetings and everyone stops and stares. Love you!!

SIEDA

Mozmy Sci, #FB, the many experiences we have had together this year has made you apart of my family. From the train rides, ATL, yearbook, and me being an honorary roomie, I love you. You are so talented and genuine. Lord, Lord, Lord.

STACY-ANN

I love your quiet, yet positive disposition. I didn't know you before yearbook and I'm so glad I met you! You have great style, and you're fabulous writer. You're going to go super far, not only as far as your writing abilities, but with your personality as well. Stay sweet.

RON

Even though you do me wrong, I still consider you a new found friend lol.

ANIQUE

You're seriously one of the sweetest people I know. You're extremely mature and you're someone I genuinely feel that I could turn to if I really needed something. You've been an amazing assistant to EIC and commend you for all of your hard work!

JOSH

I just love you. You always hold me down and I've never known anyone who would literally do anything they can to help. That's you, and for that I truly, truly thank you. Your loud, comedic personality is what some people may call ghetto, but it's what I call a real person who's not afraid to express himself. You don't hold back and I know I can always count on you to be honest. XOXO! MOMMASAID!!!!!!!

ANNA

ATL-ien. My little Anna. You reach out at all times and I'm so glad that I've grown closer to you not only through pals but through yearbook as well. You're always there to lend a helping hand and I'm super duper thankful for that. I love how you're yourself and don't change for anyone.

NIQUE!!! Where do I start??? From becoming close friends our freshman year to dropping out of Annenberg and then we had the pleasure of working on staff together. You already know you are my inspiration and mentor!!! You are an amazing individual and I know you are going to do great things in the future. Your positivity and kind vibes are definitely contagious. When I wasn't having the best of days I could definitely count on you to make me feel so much better. I love you so much and I cant wait to work with you again. Shoutout to Pretty Girl County!!!!

ANGELA

From Ying-Yang to E-I-C, you have been there for me on staff and as a friend. I can't believe this Howard journey is almost over but I want you to know that you were an integral part of mine. I love you dearly and wish you much success in the future. The 88th Edition will force the new staff to step their game up. I'm proud to have worked with you.

CHRIS

You are the namesake of one of my signature drinks, the Sledgehammer, and I couldn't have chosen anyone better to name it after. You kept the morale in the office all the way thru even during the long nights. You are so talented and I can't wait to see everything that the God has planned for you come to fruition. Stay a lover of the eccentric and continue to avoid the mundane at all costs.

KODI

We have the Elyse/ Elise connection. I knew you would be on staff from meeting you at your interview day and who knew you would be one of my interns! You are like the female version of Sledge and you always kept the tone of staff upbeat! Don't change that!

ANIQUE

Baby Nique Nique! From being my assistant to the Assistant to the E-I-C, you have grown in so many ways. I consider you like a baby sister and we will continue to solidify our bond. The sky is only the limit for you if you can't look past the clouds. You can see far past that, now claim it!

WINTER

My faux daughter. Although I am a motion picture addict, you are my still camera muse! You just understood where I was coming from and I hope we can work together post-Howard and take over the world! From your quirky quotes, minimalist style, and infectious smile, I am glad to have met you and can't wait to see where ya end up!

SIEDA

It's all about the keratin! You are a doll and a fellow beer aficionado. You have a great work ethic and your work for this book will be your calling card for bigger and better things.

FREDDIE

My assistant! I appreciate all of your help this year because I know how demanding copy can be sometimes. You came through for me and I never forget those kinds of things. Hopefully you stay on staff next year because I can't think of a better person to pass the torch too.

STACY-ANN

Thanks for all of your help. We met in an unconventional way and I would have had it any other way! Just being able to see you blossom has been rewarding. Don't let anyone or anything stand in your way and use your phone sex operator voice to help mellow the naysayers if they do. Love ya!

REED

Damn it was a lot of people on staff this year! Took me forever to get to you K. Diddy! You always came through for me when I needed you. You are like the cool Uncle spittin' knowledge and putting us up on game at cookouts! You understand my H-town mindset! Howard is lucky to have you because some of your colleagues just aren't cut from the same cloth! You work for the students and I'll never forget you!

RON

I thought you were a cute little enigma when you would sneak in the office. Now I have gotten to see all of your little surprises that you hide underneath your little lumberjack hat from the spoken word to graphic design! Stay sweet and stay away from cameras when you are feeling "high-spirited."

TOPAZ

You my dear are one of the sweetest individuals known to human kind. You bring diabetes to the office. You can hang with the big boys in the design arena and can juke whenever the staff needs a laugh break. Continue to be you and watch the benefits pour in!

Britany Rickett

Copy Editor

IRENE

Georgia peach to H-town. I didn't really get to know you until VA Beach and aren't you a lil' firecracker! Houston will love you! If you ever need anything or just want to know the places to chill, my lines of communication are always open to you. Just don't let your baby sister come visit because I will steal her or just borrow her for an extended period of time!

JOSH

WHBC fam! From dealing with the crazy news team, you having always been my go-to for some Southern Hospitality! Your DNA is made up of all things Southern, ratchet, and lovable! You always bring a smile to my face! I love you dearly!

ANNA

ATL! You are smart, sweet, and most of all real! Those characteristics combined are from a dying breed. Thus said, continue to grow as a woman but maintain who you are! You are the life of the party and you made long work days bearable!

STEPHEN

I hate you and wish you were never born. Just kidding. From meeting you in the ILab when you were a lame, until now, you will remain a dear friend of mine. Nobody will understand our friendship and that is fine by me. If you ever need someone to pull a knife out on you or for you, just know it will be me! I pray that wherever you end up, that your boss doesn't slap you. It would be funny but getting slapped multiple times in life just isn't cool so keep your numbers down. Xoxo!

TO HOWARD:

You have helped me to evolve but I'm blessed to say that I am leaving the way I came- true to myself! To my girls: I love y'all and this is just a closing chapter. No regrets! Class of 2011- I'm out! In a few years, y'all will read this then look at the TV screen and say yeah that's her. Mark it!;-)

ANGELA

I was so nervous in my interview for Photo Editor...who would have ever thought we would be this close. Our relationship can best be described as an older and younger sisters relationship. We don't have to be speaking every five minutes to know the love is there. In all honesty I think you're one of the most gorgeous, independent, respectable young women I've met at Howard. Through our love for Amy and our emotional talks about relationships I've learned you're a sweetheart who deserves all of the perks in life. I really love the Deltas..."I am not a prospect". Lol.

ANIQUE

You never forget how someone made you feel. As one of my first friends on yearbook I would like to formally state you have a permanent place in my heart. You could make open heart surgery look easy. You not only bring a whole new meaning to cool, calm and collected, but your smile lights up a room.

CHRIS

I feel like letting the audience know our final act would be a tragedy...some things are truly better left unsaid...but I will say you forced me to look at the person I was when I didn't want to and for that I thank you....

BRITANY

You have single-handedly changed me as a person. I'm not accustom to people understanding me as well as I understand myself. Wise beyond your years, you've taught me about the real world beyond the confines of Howard. You're the perfect mix of business and pleasure. Houston girls aren't so bad after all.

STACY-ANN

One day soon you better check out the UK version of Skins since you were boring in England. I made that part up about you being born there but you look like you very well should have been. You're beautiful and your style is effortless. Give yourself more credit. I keep wanting to buy your white scarf off of you. I cant get over Angies gift to you at our secret Santa party. Priceless times with priceless people. Our roadtrip had the poppin car. Listen, I think this quote applies to you, "Don't compromise yourself, you're all you've got."

KODI

You had me at hello. One of the most naturally beautiful girls I know, I have nothing bad to say about you. You lay all your cards out on the table. Your positivity and genuine concern for my happiness warms my heart. You're a lethal combination of looks and personality and I'll always be here for you.

FREDDIE

I have known you since my freshmen year. You have remained the same, which at Howard is a huge compliment and accomplishment. Style is impeccable, kindness undeniable and your cute. I have yet to see a hair style or clothing choice fail on you Freddie. Im pretty sure you coined the nickname "Wint" which is still my favorite. Freddie, you give Richmond a good name and I love you for who you are. We will always be friends and I only hope more of your qualities rub off on me.

TOPAZ

Rarely do I come across a person who loves me regardless. Through my screaming fits, my extra moments and my diva comments, you were there smiling. I hate writing out the words haha but Topaz, you honestly bring joy to my life. I hope you end up surrounding yourself with people who deserve your essence. You're unique and versatile. Not to mention you have a wonderful name. Your first name is my birth stone. Anyway I think you have only added to staff this year. Hopefully we will only improve our friendship because your someone I definitely wouldnt mind seeing more often.

ANNA

I get the hype...I hope that speaks volumes. You are about as small as they come (that's what she said). In that 4'11 110 pound body lies a beautiful mind and a huge heart. How can i not smile around you Anna? I'm sure I'm not the first to say it but don't change Ms. Blanding, you're irreplaceable. With you what you see is what you get...I'm sure people fight over it!

JOSH

I can roll my eyes then look across the room and count on you to be the only other person to understand why I did it. Josh, you're undefined. A great person with an open mind and open heart is about as rare as a four leaf clover, "don't compromise yourself, you're all you've got."

STEPHEN

Do you realize I have learned more about myself from you in the past year than I have from most people I've known my whole life? You're a household name in the Coleman house and it's just a matter of time until you're worldwide...certainly one of the most well rounded, intelligent people I've met... I want two things for you in life. 1. A yacht 2. To marry the one person put on this earth for you, llewingtina!

SIEDA

I'll be the first to admit two things. A. I'm not the easiest person to get along with B. I'm very set in my ways. Oh Si, I applaud your patience and flexibility as assistant photo editor this year. Each assignment topped the next and I speak from my heart when I tell you I think your a special person...we get each other, nobody else really has to understand. And the photos speak for themselves.

**Winter Coleman****Photo Editor****BEVERLY HILLS****IRENE**

When it comes to keeping the office up to date with hilarious videos, download site hookups, the newest great music, or just a fun karaoke session, YB could always count on you. Actually, I hope you still have that microphone I gave you!! From QD to YB, I'm glad I got to know you more and just for the record, you're going to be an amazing teacher after grad. Them kids will love you! Stay crazy and always remember, SCRAPBOOK WUUUUUUUT??

RON

Your silence speaks the loudest. Everything your thinking is in your eyes, wish more people thought like you...I'm not about to put you out there and say one of your favorite songs is Hometown Glory by Adele or anything, I'll keep that between us and your eight year old pythons you have yet to name. You're a friend Ron. I couldn't ask for more.

REED

You keep us on track and as focused as possible point blank period, all while staying smooth as can be. You immediately instill fear in the yearbook office when you angrily run after Steve time after time again lol. I will never forget you at the Christmas party and you going in on Rasberry. Classic. Keep being cool!!

ANGELA

Mama Ang! To this day, I still wish you could've been there to see how heartbroken Kadi and I were when we realized you weren't on the bus to Atlanta. Now I see that's just one of the many sacrifices you're willing to make for your yearbook babies. You are a sweetheart, but a stern mother with a yang of wild in there. Congratulations on an amazing yearbook!

CHRIS

Let's be honest, I was kinda scared when you were upset with us. Felt like a little four year old whose daddy that caught them scribbling all over the wall with Crayons. Never wanna disappoint Papa Sledgeren. I look up to you like a little pre-teen admires Beyonce. Bad analogy? Shrug. All your tips, all your criticism, laughter, and inspiration have absolutely helped me grow and I take everything you say to me to heart. You are the backbone, the father, and captain "turn-it-up-doe," of Yearbook. But uh, you're still weak as hell.

BRITANY

Your marital arguments with Stephen legitimately made some meetings for me. Outside of that fun drama, you run a tight ship with Copy that's impressive and made this book amazing. Don't forget about the little people after you graduate and continue your amazing success.

ANIQUE

Driven, intelligent, and active, with a side of twerking. From your taste in music to your dynamic personality, you are quite the anomaly. Your ability to juggle so much academically, personally, and still put so much into Yearbook is amazing. Being there to genuinely care for others and then break it down to Chip Tha Rip, you're the sweetest Nique Nique.

WINTER

We started off rocky. But I gotta say I wouldn't have photo any other way. Everyone knows you take superb pictures. Not all are privy to the politically incorrect, knee-jerking, honest, hilarious conversations and comments you bring to Yearbook; especially the white board. And for that, I thank you.

KODI

Baby Sciiiiiii. If it wasn't for you, I might be in some ditch on Georgia Ave. You are one crazy girl. You know this. I adore you for it. From us acting like crackheads on trips home to showing Spelman girls how to party, we truly have an amazing life together. Anyway doe, you're irreplaceable FB and I couldn't imagine Yearbook without you.

STACY-ANN

Calm. Cool. And Collected. Always the voice of reason and understanding. But a hard-worker, that's unfailingly ready to whine with the West Indian music. Thanks for having my back when it came to all things New York. After English Class first semester freshman year, I'm glad we finally got to work together.

FREDDIE

My whole goal this year was to become a better "juke" than you. And honestly, I think I've succeeded. The FB x Beaut collabo in Yearbook has kept me sane. One day I hope to be as dope as the coolest kid out of VA. A hilarious ghetto girl. And a beloved beaut (and babysitter), you honestly make my day. But you already knew that.

RON

You are awkward. And I love it. From your love for Waka and Adele, I simply don't understand you. And that's fine. I appreciate the profound, or purely annoying, comments you contribute after your calm silence. I'm truly proud of all the progress you've made design-wise, but I really became a fan after you went off on that guy in Atlanta. Sealed the deal.

TOPAZ

Juke ya boy juke juke ya boy. Thanks for the lessons. You are a little ball of joy that lights up my day even when I don't want to smile. The enthusiasm, creativity, and laughter you've brought to Yearbook are irreplaceable and I'm so glad I've gotten to know you.

REED

You are simply incredible. That is all.

ANNA

Honest. Hilarious. Sweet. You are such a fun-loving person that will keep it real in two seconds. All with a smile on your face. With you, Irene, and Josh in the office I start feeling like I've unknowingly taken a trip to Atlanta. And I love it.

IRENE

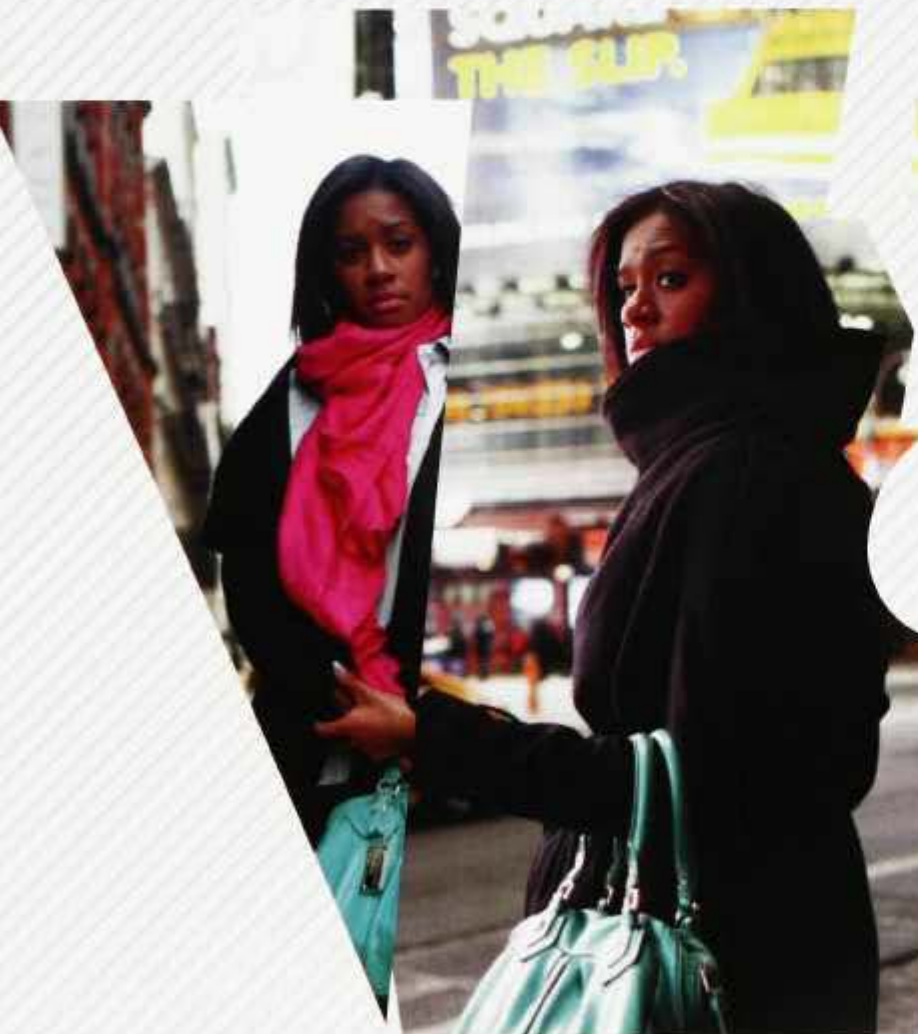

I never knew I was missing out on so much in life until you introduced me to all the amazing Youtube and WSHH videos. Bunnies being eaten and Dora hittin her dougie, you have completely cultured me. I don't think I'll ever forget our epic trip to Rita's, pushing Josh's car in the street... in the pouring rain. Hands down, you're the best secret Santa ever.

JOSH

The hardest working staff member. Hands down. Without hesitation you put in that extra work to get the job done when no one else can come through. The most ratchet staff member. Hands down. On any given day you're ready to pop off or turn it up in the office. I love every minute of it.

STEPHEN

You're not invited to my baby shower. Clearly, you don't support or believe my life decisions. However, your artistic choices, as well as the trouble you always get into with Angie, are priceless. But I must admit, you were always on top of it and definitely left me smiling...

BRITANY

You weren't always in the office but when you were I feel like it was always epic lol. Knowing that you have so much passion for your work I know you will have great success in your future.

STEPHEN

I really appreciated being your assistant and learning from you. Your creativity will truly be missed.

WINTER

From the moment I walked into your room sophomore year and we had that great talk I knew you would be one of my closest friends. And thanks for opening me up to all that great music! Although now I seem kinda bi-polar going from Adele to Waka and Gucci then to The Fray lol. It was great working with you and look forward to working with you on other projects.

SIEDA

One of the coolest people ever lol. I enjoyed all of our great moments in the office even though you would always criticize my work lol.

ANIQUE

A true friend indeed. We shared many great memories and I can't wait for the rest. And I know your future will be bright. Just remember: Fight if you must, but don't you quit!

ANGELA

Hey boss lady! I had so much fun finally being a part of staff and helping to create your vision. I will miss you once you leave but just do me a favor and stay away from those beep beeps and creepers! Lol

JOSH

Ratchet in its finest form!!! I'm gon miss you and your inappropriateness! Lol no but really, it was great having you on staff to help keep the office alive because it was definitely needed.

IRENE

You're definitely one of the main reasons the office was so exciting. It was great meeting you and I'll miss having you around. Have fun at Teach For Amigos...I mean America...lol

STACY-ANN

Those awkward hellos will never get old. Idk why you think I'm so ratchet but it's all good lol. PS: I really do just be chillin haha

KODI

I really enjoyed our conversations and the energy you brought to the staff.w

FREDDIE

Being your "date" to the Broadway play was too funny. That man was getting it in lol.

TOPAZ

I feel like we've bonded more being on staff together and I enjoyed helping you out with the graphics. We have to hang out more though...Aleros maybe? Lol

ANNA

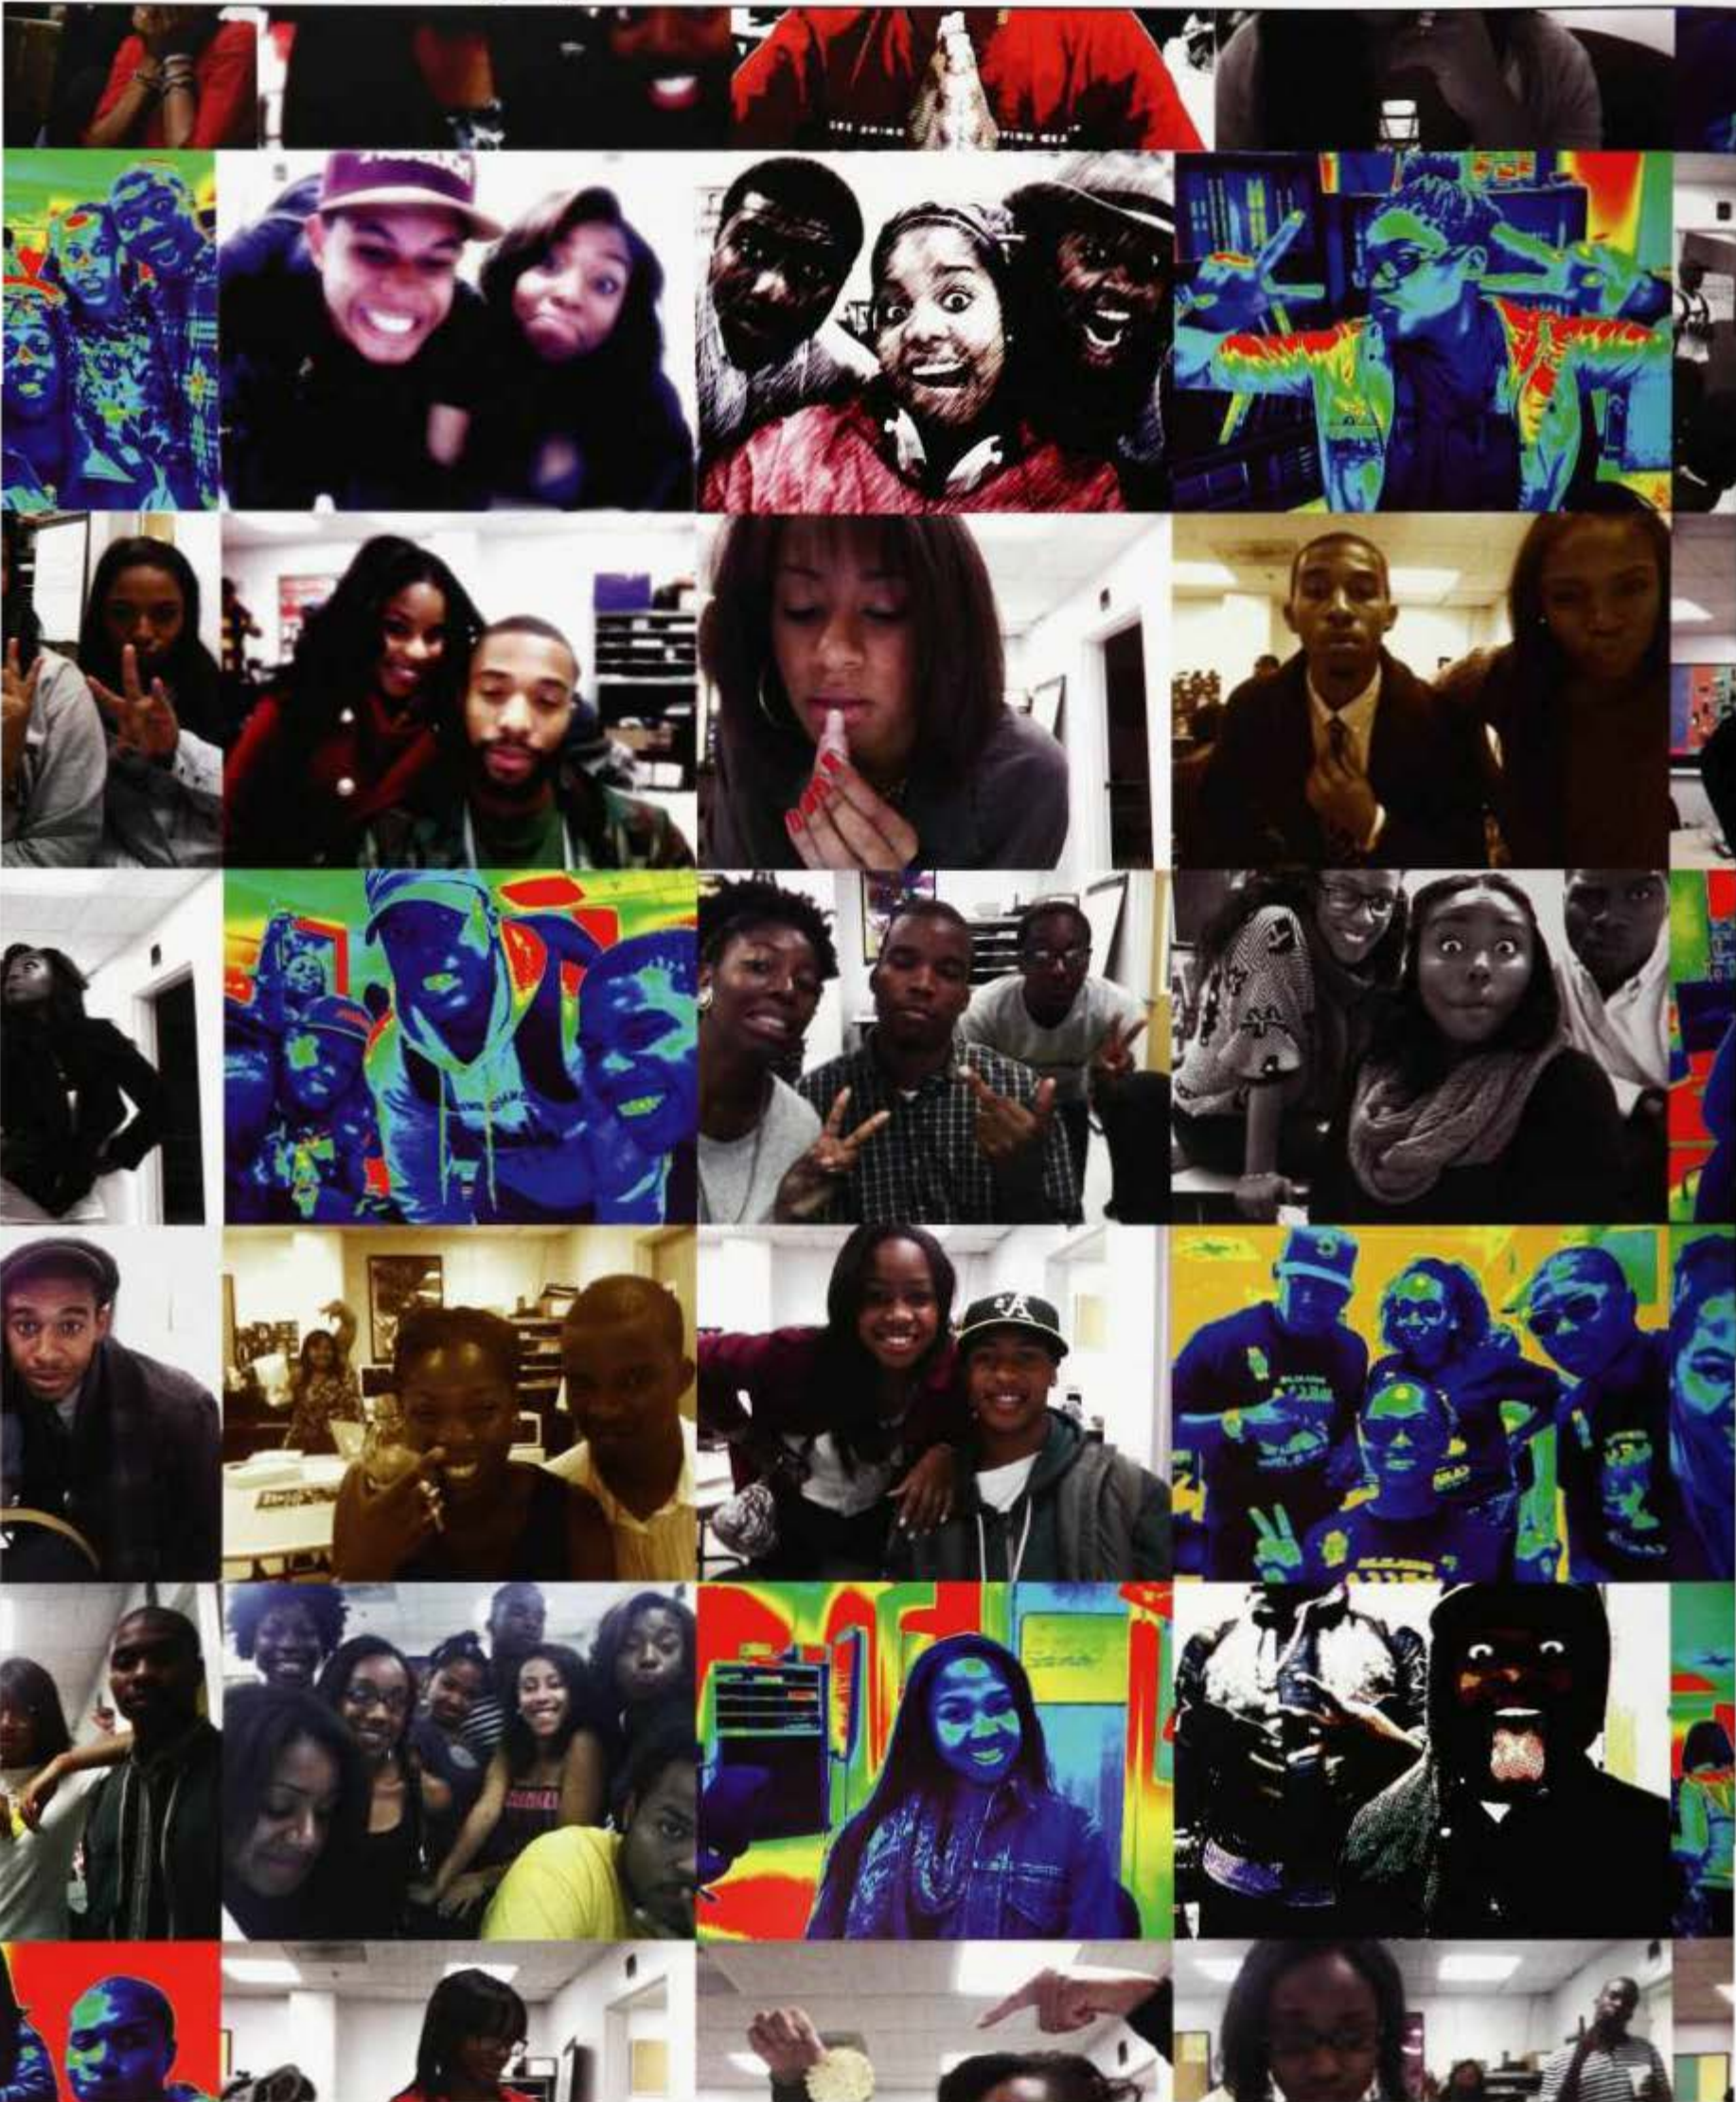

You stay tryna figure me out lol. You're personality is just so real and I really appreciate that.

REED

Yo Reed!!! You are too funny man. I appreciate the opportunity of being on staff and opening me up to all these cool new things. Oh and I still have to make my drink for you lol

This journey has come to an end, but the memories will always remain. Over these four years I have gained friends, brothers and family that I will never depart from. From random trips to Atlanta to sleepless nights with Dynasty, my time here has been well spent. I love everyone who has made this journey through Howard unforgettable. I would not have been possible without my Faith, Family, and Friends.

CHRISTINA

Robert

Dear Howard,

Though my time here at the renowned Mecca comes to an end, I would be remiss if I didn't say "thank you" to those who helped me get to this point. Starting as a lost freshman at Meridian, I had no clue what would be included in my life at Howard. Now looking back, I thank the Lord for His many blessings. I thank Him for the people I've encountered, and for the many opportunities granted to me, even through my faults and shortcomings.

To my family I don't know where I would be without you all. Thank you for every care package, card, and encouraging text message you sent. I appreciated it all. Mommy, thank you for your silent prayers and constant guidance. Without you, I wouldn't have made it.

To my Howard family Thank you for helping me continuously grow, always pushing me towards excellence. Special shout out to L.O.T. You five women are truly sisters that I will have for a lifetime. My 1507 roomies, words can't even express. You both have been there since day one, putting up with me, sharing my memories, and I love you both SO much! S.O.D. I'm so happy for the brothers I've gained, always there with advice and a sound perspective. PHIIIIIIIIIAAA! Phi Sigma Pi, thank you for the gift of Bailout. My Howard experience wouldn't be the same without you. Specs and sakes, you all share a part of me, something that will never change. Dynasty, more often D-Nasty, thanks for being a family to me and staying supportive of me through it all.

Though my tenure is complete, I know there is much more to come... and I'm ready.

Jeremiah 29:11 "For I know the plans I have for you," declares the Lord, "plans to prosper you, not to harm you. Plans to give you hope and a future."

So Many Memories

Dear Howard
 Your rhythm is in every fiber of my being, you are my
 love song. Each year I write a new verse, and the beat
 that keeps my tempo steady is the love, pride and
 prestige you sing. As I write my last verse I reflect on
 the many experiences you've allowed me to have.

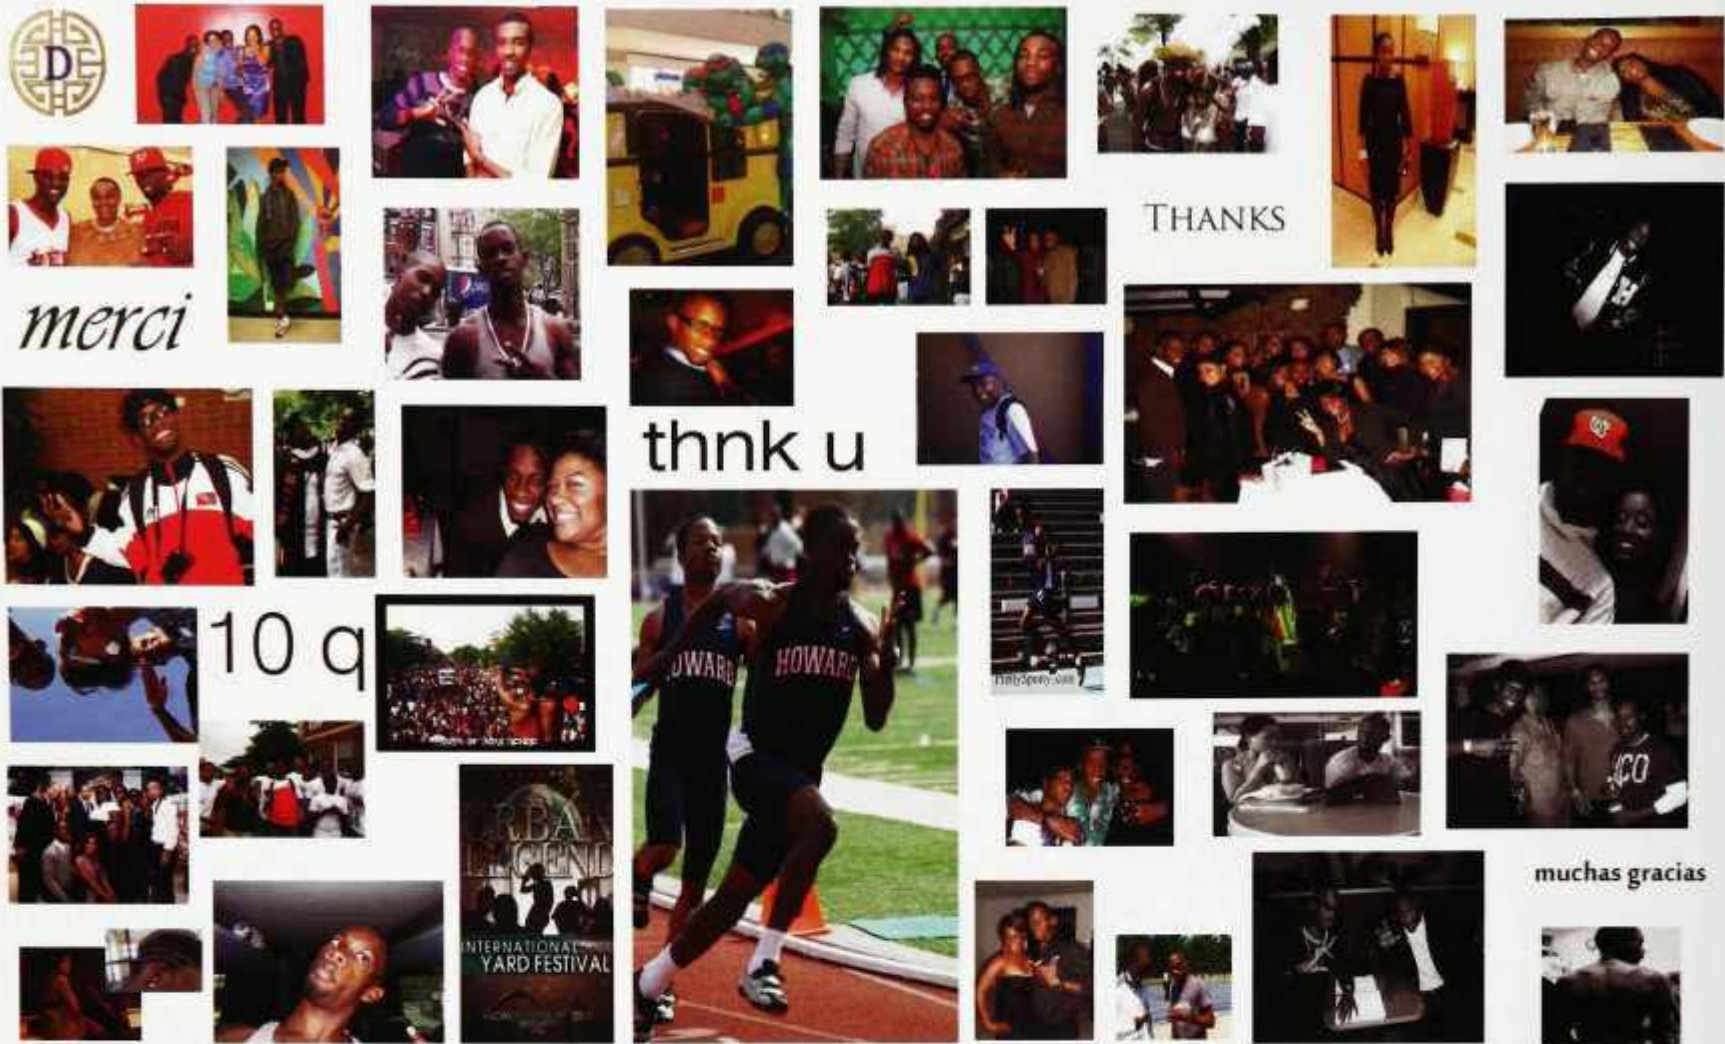

Thank you
 Room 238 in Meridian park and brown palace and the
 wall-to-wall carpet, nuff said. Winning Miss
 freshmen and meeting some lifelong friends, those were
 some of my best days. We moved on up to suite 625,
 that room saw the good, bad and ugly. Our many
 "study" sessions and random deep talks. With that
 move I also left my beloved John H. Johnson School of
 Communications. Off to 1507, living off campus and
 being baby adds, my how we have grown.
 Mom, Daddy and my heart. I thank you all for believ-
 ing in me for letting me come so far to learn and grow.
 You all are my backbone and without you I couldn't
 imagine life any better. My grandmothers, Carrie Lee
 and Legusta, my two Queens, you are the reason I get
 up every morning. To live and experience all the things
 you couldn't, so that I would be able to. I love you and
 thank you for holding out so you could see me cross
 that stage. To my aunts, uncles and frost of cousins, I
 love each of you. A special thanks to Dena and Mi-
 chele, when I needed someone to talk to at Sam Dena
 you picked up, and Shel-Bel your care packages
 always came just in time.
 To the Family, it started in Meridian and who would
 have known that it would grow to what it is. I love
 ch of you and we share a bond that no one else
 Howard understands.

To Ratchet Rhythm my first personal taste of Homecoming
 and my new found love and family Tyler- I love you thank
 you for giving me the chance to bbom. Brittney- Thanks
 Dynasty aka D-Nasty you'll are forever etched in my heart.
 Brian (insert pic of kiss), my Goons- Eboard ahn I love
 ya'll my kids- ya'll made mama proud. Reed- you are
 amazing, see you at the top!
 HGC- my first Howard family- so many great people I've
 met through this ministry and I am so grateful love ya'll
 LOT- being the VOICE of Reason has been hard but each
 of you has loved me through it and together we have
 succeeded and remained courtless in all regards Love #2
 Howard you have shown me what I am capable of and
 what I can become. I love you so much that I hate you
 sometimes because I know the real world is nothing like
 what the Mecca has shown me.
 On to the next.
