Protest Ineffective, Change Hasn't Come

BY VICTORIA FORTUNA

Over 50 days have gone by since hundreds of Howard University students told us what they were interested in discussing at the Administration building's weekly general student assembly in order to bring attention to the All Student's Union's goal to reinstate the ASU. Two months and a half have been done to meet the non-empowering mechanical engineering major Brian Mourad was one of the students at the assembly of the Preston Center.

Despite the fact that it was spoken, wore black to symbolize unity and held up signs to believe the lack of organization of the present plans for the protest that demands have yet to be met.

"I understand they wanted to do something about the suspension. I can't imagine what our students were out there, however there wasn't really an active plan," Mourad said. "There was no action after we shouted and raised our issues. The organizers of the present weren't really sure of what they should do, I think," said Mourad.

"As far as I know, it is always that short term of reality out of the upcoming work or non-work or anything," said Mourad. "Sometimes, I am just wondering about the future, just the future," said Mourad. "I am wondering about the future, just the future, just the future," said Mourad.

"How can we ever actually execute an eviction if there are no laws of eviction?" Mourad said about the demand.

"But everything has been passed down to the future. But everything has been passed down to the future. But everything has been passed down to the future." Mourad said about the demand.

"I am just wondering about the future, just the future, just the future," said Mourad.

Costume: Lady GaGa Bubble Dress

**Why:** Lady GaGa, one of the most colorful and extravagant entertainers of the brownesque era, is a fun choice for a Halloween costume. Here is one of her most outrageous-style steps to help you complete the halloween dress.

**Step One:**
Find the perfect Lady GaGa boat. The one you buy online on eBay, Amazon or any other Halloween costume website online.

**Step Two:**
Decide which Lady GaGa make-up you want. Lady GaGa wears her makeup sexy, scary, eccentric and appealing or funny. You can go with simple Lady GaGa makeup, like a big fake grin, dark eye, gold blue, and light pink bald, black mascara, false lashes, and a silky glossy pink lip color.

**Step Three:**
Before you apply the boat's makeup you need to find a short gold mini dress. Try finding a dress that is either a size 2 or 4. If you cannot find a gold dress, you can gold-foil one piece, putting suit.

**Final Step:**
Take a roll of bubble wrap and hot glue silver eva on. Make the sections of the boat drop. America and sell. Then glue on the gold dress and add gold and glass snowflakes on your head.

**HALLOWEEN TIPS:**

- Always trust your instincts. If you feel unsafe at any point during All Hallows Eve, go with your gut.
- Avoid being alone or isolated with a zombie you don’t know very well. Let a trusted friend know where you are and whom you are with.
- Always carry emergency cash and keep phone numbers for local cab companies handy.
- Form a buddy system with close friends and agree on a secret “bust in” signal for uncomfortable situations: such as “BOO!”
- Don’t accept “beetle juice” from people you don’t know or trust and never leave your “beetle juice” unattended. If you lose sight of your “beetle juice,” get a new one.

---

**Beverages:**

- **Beetle Juice**
  2 packets unsweetened grape Kool Aid
  2 cups white sugar
  3 quarts cold water
  1 liter ginger ale

- **Apple Bites**
  Apples (red & green)
  Slivered Almonds

**Instructions:**
1. Just quarter and core an apple. Cut a wedge from the skin side of each quarter, then press slivered almonds in place for teeth.
2. Tip: If you’re not going to serve them right away, bathe the apples with orange juice to keep them from browning.

**Crispy Rice Jack-o-lantern**

---

**Ingredients:**

- 1 Stick Butter
- 2 (10 oz.) Packages Marshmallows
- 12 C. Rice Crispies Cereal
- 1 tsp. Yellow Food Color
- 1/4 tsp. Red Food Color
- Green Decorating Icing in Tube Black Decorating Icing in Tube Decorating Tips
- 12 C. Bowl (not Plastic)

**Preparation:**

Melt butter on low heat and add marshmallows. Stir marshmallows frequently. When marshmallows have dissolved, add food colors and mix well. When the marshmallow mixture is uniform in orange color add cereal and stir in. Marshmallow crispy cereals are completely coated. Pour mixture into the mold that has been well sprayed with a non-stick spray. Carefully press down cereal into the mold or your hands when pressing the cereal, this helps so the cereal will not stick. Place into the refrigerator until completely chilled and firm. When the pumpkin is chilled remove from refrigerator and invert onto a plate. Remove bowl and decorate with leaves and stem. A great jack-o-lantern smile will be the finishing touch. The jack-o-lantern makes a great center piece and a delightful treat.

Domestic Violence Affects Couples of all Ages

A couple is going to the opera hallway, pointing the finger at the old ladies, until they reach their issue. Interestingly, romantic relationships and domestic violence, both irrational paternalism and trained and licensed head-splitters alike fear to think about this. They, who are grappling with the thought has passed, the argument is tended to excites from an instant, driving much to a physical blow.

The boyfriend's cousin, in his courage, killed him over and once again, with a ‘hooliganish’ blow. Out.

Sounds like a sore-strung out of a Tyler Perry film, right? Unfortunately, this situation is less than fancy. It is actually a serious case of domestic violence.

And instead of being screened in a paced scenario, dramas, victims, by the endless laughter of a ‘scene’, this shocking situation is occurring in a Howard University residence.

According to the National Domestic Violence Hotline, domestic violence is defined as any pattern of behavior that is used to gain or maintain power and control over an intimate partner. This includes verbal, emotional, physical, sexual, and financial abuse. If you or a loved one is experiencing any form of abuse, help is available.

Our View: Students are too young, and life is too short, to be involved in an abusive relationship.

Here she comes again with that walk that makes the ground under her and the air around her. With her real bad and the place I really feel the Real H.U. is the first place to go. In this position, she walks by without a word, to be in the place that marks her coming in a way that she would like. Everyone is just walking.

She also passes by 1 day, in the same shoes, "How do you do Miss Lady?" To which, without a look she replies, "No thank you." and burnt in heart, punning. Burns, and record-breaking, without a complaint.

By me! I say, in such random talks with criminals who have a positive relationship.

However, situation status is, I am not alone and can do simply not look that is from boredom, I did not ask to see the girl B.U.I, I wanted to know how she was doing on a date that was going perfectly well for me. So, she made the move, we now, it is my turn to return the compliment.

So if the worse comes to worst, to youngsters, young lady walking from dormitory to campus because of your experience with a ‘scene’, or if you did not know Tony Bravo, Maluma, and Pluma, all have something in common. They are ‘local’ one.

Most of the old heads know they do not have a chance with those young ladies and they know that most of you young ladies will not return the words. Knowing the odds of actually getting even a smile back in the street is a reality.

That courage goes beyond common because of your female counterparts. As illustrated by the above example, female students and faculty members at Howard University are encouraged to report all incidents of domestic violence to the Howard University Police Department.

According to the Domestic Violence Hotline, a relationship is defined as an intimate relationship which involves a long-term or short-term sexual or romantic relationship. Domestic violence can be prevented and stopped by breaking the cycle of violence.
