Dear Mr. Nabrit,

Sorry I couldn't attend Charter Day Exercises.

I receive the Alumni Bulletin regularly and look forward eagerly to the news it brings. I have been in the Army 18 mos., and have come in contact with many former classmates and Howard students. It always brings pleasant memories, to mind, to meet and chat. Somehow it helps the day along and that means so much to those of us in the Armed Forces.

I am an Army Dietitian and at present am the only one on this Post. My work is very interesting.

Enclosed is a small contribution to the scholarship fund.

I hope our boys will be coming home soon. We, here, offer a prayer for the many who cannot come back.

Yours truly,

Elgeina Bell
