Dear Sir

Have been intending on writing you for quite some time, however, time is rather scarce over here at times.

Would like to hear from you and Col. Contee very much.

I received my promotion on the 17 Nov. I am still commanding the same company and I heard the Col. Is talking about my promotion to Captain.

I have received a number of commendations from the C.G.

Brooks, Stevens, and Banks are in other companies of my organization. I saw Bage yesterday returning from his rest in Rome.

Lopez is now a Captain also.

Bryant
