Dear Sir:

I take this opportunity to thank you for the greetings and the Howard University Bulletins which I receive regularly. I, with many of the others serving here in Italy will remember the pleasant days we spent at Howard as students.

We all have profited from the knowledge gained there and for the most part are doing a fine job. I sincerely hope that many of us will be able to take advantage of the Veterans' Counseling Advisory Service, in the near future. The facilities that Howard has set up will surely be a great aid to all returning servicemen. I am grateful for your prayers and well-wishes and wish you continued success.

Sincerely,

Theodore M. Davis
