Dear Sir,

This is to inform you that I am in the armed forces and am able to contribute as I'd like to the "United Negro Fund" I am keeping up with the "campaign" progress through news mediums, as I am stationed with a special training unit for educational purposes, and am interested beyond words.

We have many college men here teaching the less fortunate draftees enough to enable them to carry on in the army.

I take this opportunity to inform you of a change in my address listed on your records. It should now read 1206 Summer Road S.E. instead of 1718 Montello Ave N.E.

Thanks for your kind attention. I am

Yours Truly,

William G. Rich, Jr.
