Dear Mr. Nabrit,

In reply to a letter dated 5 April 1944 from your office, and a copy of the same form [illegible] dated 13 May 1944 from m/sgt. Rayfield Lundy, company "I", 9th QM. R.T.C. Camp Lee, VA, I am submitting herewith the two forwarded forms accomplished according to directions. However, at an earlier date the same information form sent from your office has been filled out and forwarded back to you.

The letter of information was a most complete and enjoyable surprise. I wish you great success in this enterprise and my sincere wishes for the continued success in your work.

Sincerely,
Walton C. Jackson
