

PRESIDENT MORDECAI JOHNSON,  
D.D.

At the very mention of "Mordecai" the student automatically thinks of Howard progress, and will readily admit that he is the best thing that has happened to Howard in the history of the University.

Although seldom seen on the campus, the student knows that he is tirelessly working to favor the student and the race as best he can. We are appreciative.

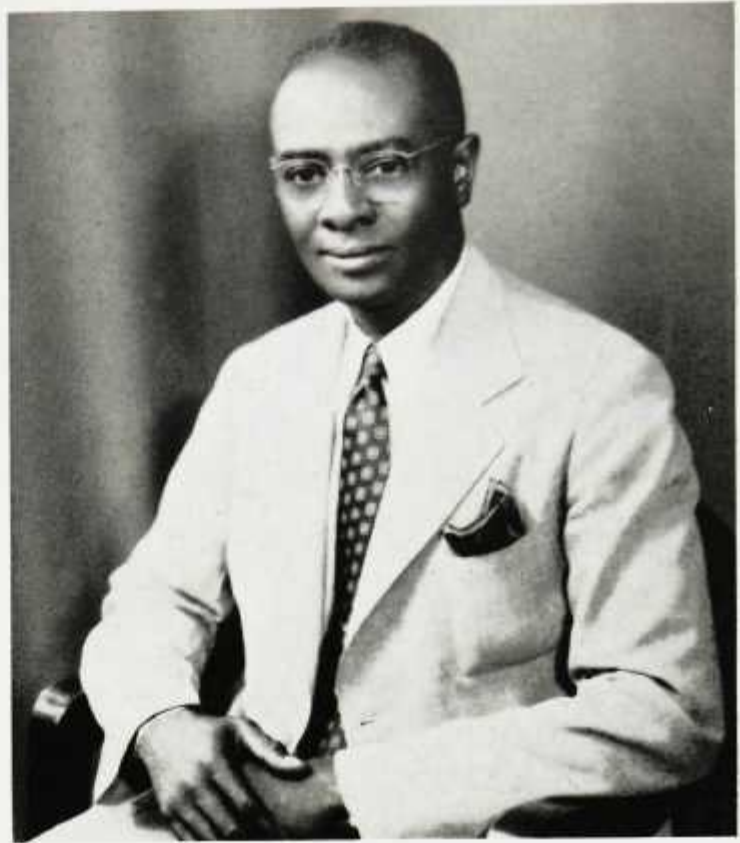

## FACULTY AND ADMINISTRATION

DEAN JOSEPH ST. CLAIR PRICE,  
Ed.D.

Dean Price is one of the busiest men on the campus to date and is justly so, in that he has been selected to fill the shoes of the Dean of the College of Liberal Arts, Dean Charles Thompson, who is on leave.

DEAN HOWARD THURMAN  
AND "DITTO" HAWKINS

Here we find two of the students' most trusted and esteemed "institutions." Dean Thurman is a favorable reflection of his native state, Florida. Dean Thomas "Convictions" Hawkins represents Mexico—by way of Pennsylvania.
