Hello Jim

Just received the University Letter sent out from your Office & enjoyed it very much. It had followed me from Ft. Huachuca, thru North Carolina to my present post at present I am at Base General Depot. San Bernardino. Regt. Dental Surgeon of the 1316th Engineers General Service Regt. Came out here from North Carolina in Jan. We are moving out of here in a continental move. Some time soon. Enjoyed the newsy letter very much. Would appreciate receiving it and the Bulletin again. Any mail sent to Camp address of Regt or my City Residence will reach me. Hope you, Norma & little Jimmy keep well. Regards to all.

By the way Mabel & I are married again (Smile).

Sincerely your old Friend

Hello Jim,

Well Old Pal. is out on Saipan now serving as C.O. Med. Det. 2803rd. This is one of the Big Bases where the B-29's throw the stuff at the Japs. Have appreciated the Howard Bulletin and am becoming the Howard Bulletin and am becoming.

I picked up an Afro-American other day and was tremendously pleased at seeing Louis Watson was back at Howard. Have appreciated the Howard Bulletin and am becoming.

Let me congratulate you and all concerned with that move, for I'm sure that with the Red Fox back at the helm Howard will soon retain its place.
Among the football powers and once again the Thundering Herd will roll as in the old days. I have written a personal letter of congratulations and hope you are looking forward eagerly to the time when I return to States. I plan to take a refresher course somewhere in East and I'll be there to see the boys roll.

Hope you and your family are well. All seems well at home otherwise.

Take good care of yourself, Old Man. Good luck to you and Family.

Sincerely yours,

Capt. Costomer F. Ewell
