Scope Note

Callis' medical careers at Tuskegee's U.S. Veterans Hospital #91 and Howard University's School of Medicine are well documented within organizational affiliations, writings by Callis, and correspondence. Material regarding Callis' departure from Howard University is found in the subseries, "Callis Case."

The series, Alpha Phi Alpha, documents Callis' role as a founding member of the national fraternity. Histories, constitution and by-laws, chapter manuals, memos, committees, speeches by Callis, convention material, and newsletters comprise the series. Photographs of numerous Alpha Phi Alpha convention attendants are found in the photographs and oversize series. Most of these are rolled photographs.

The Callis papers were donated to the Moorland-Spingarn Research Center by Dr. and Mrs Callis in 1974.
