MABEL KEATON STAUPERS COLLECTION

Collection 96-1 to 96-2

Prepared & Revised by:
Denise Harbin
June 1980

Scope Note

The Mabel Keaton Staupers Papers, spanning 1937-1970, consist primarily of information documenting her efforts to integrate Negro nurses into the national nursing profession. Correspondence and reports document Mabel Staupers' activities that led to the dissolution of the National Association of

Colored Graduate Nurses and absorption of this organization into the American Nursing Association. Another outstanding contribution of Mabel Staupers to the nursing profession was her efforts to have Negro nurses integrated into the military.

The original gift of the Mabel Staupers Papers, received in 1963, was accompanied by books which were transferred to the Library Division of the Moorland-Spingarn Research Center. The Mabel Stauper Papers measure 1 linear foot in size.
